

## **VJB8. BEST VALUE REPORT 2014**

The Board considered a report by the Assistant Assessor on the performance of the Assessor's Service in 2013/14 as measured against key performance indicators.

The report outlined the performance levels on Assessor's work in the 2013/14 financial year for the Valuation Roll and Council Tax Performance Indicators. The drop in performance for both indicators was highlighted and linked to the increased workload in terms of appeals.

### **Decision**

**The Joint Board noted the continuing commitment to Best Value.**
