

## **AC17. ANTI FRAUD AND CORRUPTION STRATEGY**

The committee considered a report by the Internal Audit Manager presenting a revised Anti Fraud and Corruption strategy.

Committee had requested at its meeting of 24 March 2014 (ref AC30) a review of the existing Anti Fraud and Corruption Strategy. The report summarised the review of this strategy and included a revised Strategy for approval. The revised Strategy is intended to be high level and will be supported by detailed guidance.

Committee discussed the need for decision making to be open and transparent and highlighted the need for committee reports to provide members sufficient information to allow members to make fully informed decisions, in particular in regard to the Council's duty to secure best value, for example when agreeing contracts.
