PP1. APOLOGIES

An apology was received from Baillie Paterson.

PP2. Prior to consideration of the business listed on the agenda the Convener commented that members had received the papers for the meeting with less than forty eight hours notice. She stated that in her opinion this did not allow sufficient time to consider the material in a way which facilitated effective scrutiny. It was proposed that the meeting was postponed to Thursday 26 May 2016 at 9.30am. Members then discussed the proposal and were minded that the meeting should be postponed to the proposed time.

Decision

The Performance Panel agreed to postpone the meeting and reconvene on Thursday 26 May 2016 at 9.30am to consider the business included on the agenda for this meeting.
