Hi John,

Thanks for confirming. As NHS Forth Valley did not seek contributions for this application they do not have any further comments to add in relation to the review of the decision.

Kind regards
Kerri

Kerri,

Apologies for our mistake in sending you a consultation reminder in respect of the above on 10 September 2021. You should instead have received notification that the applicant had requested a review of our decision to refuse planning permission.

Can you advise if you have anything further to add to your response of 15 March 2021?

Best regards,

John
