Subject: **9 Dwellinghouses to the West of Castlewood, Glen Road, Torwood**

School Catchments

This proposal falls within the catchments for Larbert Village Primary School, St. Bernadette's RC Primary School, Larbert High School and St Mungo's RC High School.

Impact of Development

- *Larbert Village Primary School*
  Based on the current ratio of 0.32 pupils per house, we would expect 3 children from this development to enrol at Larbert Village Primary School. The school currently has sufficient capacity to accommodate this development.

- *St. Bernadette's RC Primary School*
  Based on the current ratio of 0.06 pupils per house, we would expect 1 child from this development to enrol at St Bernadette's Primary School. The school has sufficient capacity to accommodate this pupil.

- *Larbert High School*
  Based on the current ratio of 0.15 pupils per house, we would expect about 2 children from this development to enrol at Larbert High School. This development will contribute to the requirement for investment to resolve the growing capacity pressures at the school caused by new housing development in the area.

- *St Mungos RC High School*
  Based on the current ratio of 0.03 pupils per house, we would expect 1 child from this development to enrol at St Mungo's High School. It is anticipated that St Mungo's High School can accommodate the pupils from this proposed development.

- *Nursery Provision*
  This proposal is below the current threshold for contributions towards nursery provision.
