Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object for many reasons. Firstly it will destroy the view from my house.

Currently we are not overlooked and have beautiful woodland views, which was one of the main reasons for purchasing our property. Secondly, the extra traffic that this site will accumulate concerns me as I have a young family and it is already a busy and dangerous road. I do not feel Glen Road copes well with the existing extra traffic at present.

The proposed site is an area of natural beauty with fantastic wildlife and is very popular with walkers, cyclists, bird watchers as well as Scout groups and schools. The proposed site is less than 100 yards from historical landmarks dating back to the Iron Age. Therefore bringing me to my final and most important objection as I would be seriously concerned of any disturbance to the site.
