### Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am really concerned that the main route to this new estate is directly opposite our house. Already I have huge concerns about the traffic, speed of traffic and cars parking at either side making it difficult to see when leaving my drive way. I have 3 children and highly object to the entrance facing my drive. This could have been at many points up the road which would not affect anyone's drive. I also did not buy the house to be looked into by other properties. I strongly object.
