Proposal : Change of use from Public Space to Private Garden Ground
Location : 28 Cedar Road, Banknock, FK4 1JQ
Applicant : Mr John Curson

I refer to your Consultation in connection with the above application and would comment as follows:

The proposal would result in a small area of open space adjacent to the above property becoming private garden ground. As this area does not affect visibility of the road, the proposal would be acceptable from a roads point of view and there are no roads conditions to be attached.

I would advise that the applicants check with Symology (01324 682170) to ensure that there are no public services running through the proposed area.
