Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to the application on the grounds that wellpark road has a cramped feel to it at the moment with the amount of cars on the road, the fence line proposed/erected draws the street even closer together, where we had an open space we now have an ugly 7ft fence taking half of the green open space originally provided by developers, it now feels congested when entering the street from laburnum road
