**Proposal :** Extension to Dwellinghouse  
**Location :** 17 Campfield Street, Falkirk, FK2 7DN,  
**Applicant :**

I refer to your consultation notice, received on the 18 August 2011 concerning the above application.

Roads development would normally look for the applicant to provide off street parking in this situation, however, there is insufficient space within the property boundary to provide any off street parking and there are no other roads comments that can be made in respect of the proposed development.

For this reason I can advise you that there are no roads conditions to be attached to any consent to be granted.
