- **Assessment and Reporting your Child's Progress**

### **4. Support for Pupils**

- **Transitions – Moving to a New School or Leaving School**

### **5. School Improvement**

# A Foreword from the Director of Children's Services

Session 2018-19

This handbook contains a range of information about your child's school which will be of interest to you and your child. It offers an insight into the life and ethos of the school and also offers advice and assistance which you may find helpful in supporting and getting involved in your child's education.

Falkirk Council is keen to work with parents, not only to allow you a greater opportunity to contribute to your child's education, but also to encourage you to play a greater role in the life of the school as a whole. We offer a number of opportunities when you will be able to make your voice heard in relation to your own child's education, your local school, and Children's Services as a whole.

Throughout each school year there will be opportunities for you to discuss your child's progress with his/her teacher. There will also be Council-wide events for parents organised by Children's Services. These events are spread across the school year and each focuses on a particular theme. The events are open to all parents and they are also attended, wherever possible, by the Education Portfolio Holder as well as members of the Service's Management Team. Each session offers parents an opportunity to ask questions about aspects of their child's education. Dates for these events will be issued by your child's school and we hope you will be able to come along and hear about, and contribute to, our plans for Education in Falkirk.

We are pleased to introduce this handbook for session 2018/19 and trust it will provide you with all the relevant information you may need concerning your child's school. If you have any queries regarding the contents of the handbook please contact the Head Teacher of your child's school in the first instance who will be happy to offer any clarification required.

Robert Naylor  
Directors of Children's Services  
Falkirk Council

**Footnote:** If you want a printed copy of this handbook, please ask the school.

It may be possible to offer some assistance in helping to translate all or part of this handbook to parents whose first language is not English. Enquiries should be directed in to the Acting Communications Officer for Children's Services (tel: 01324 506657).

# **Curriculum for Excellence - Learning to Achieve**

## **Learning Entitlements**

**In addition to the entitlements of Curriculum for Excellence our education provision will reflect local needs and circumstances. Therefore, at different stages of their education, our learners will have opportunities to:**

- Link aspects of their learning to the local environment and its heritage
- Participate on a residential experience where possible
- Participate in arts, sports and cultural events
- Participate in environmental projects
- Participate in a community project
- Participate in outdoor learning experiences
- Access appropriate technology
- Be consulted on and contribute to the decision making process in school
- Experience work based learning
- Develop collaborative, social, leadership and other life skills
- Access academic and vocational learning experiences
- Access learning experiences designed and / or delivered by relevant partners
- Reflect upon and be pro active in planning and making choices about their own learning
- Engage with learners in other countries and demonstrate knowledge of their culture.

## **How can you help?**

By law, you must make sure your child receives education.

As a parent, you can help your child by:

- making sure your child goes to school regularly;
- encouraging and supporting your child with any homework given;
- showing that you are interested in how your child is getting on at school;
- encouraging your child to respect the school and the whole school community;  
and
- being involved in the school.

Throughout this handbook the term 'parent' has the meaning attributed in the Standards in Scotland's Schools Act 2000 and the Scottish Schools (Parental Involvement) Act 2006. This includes grandparents, carer or anyone else who has parental responsibility for the child.

## **Welcome from the Head Teacher –**

Welcome to the Bonnybridge Primary School Handbook. We hope you find the information included in our handbook useful and informative. Bonnybridge is a learning community where we aim to Get It Right For Every Child (GIRFEC), ensuring the principles underpinning Curriculum for Excellence are both visible and experienced. Our teachers and early years officers (EYOs) aim to provide quality learning and teaching with learning experiences matched to the needs of the child. We want you to encourage your child(ren) to work hard, behave well and make a contribution.

This handbook offers an introduction to our school and a general overview of the education your child will be getting at school.

If you have any questions, or would like any further information on any aspect of this handbook or the education of your child, please do not hesitate to contact me.

Miss Debbie Calderwood

To make our handbook easy to use I've divided the information into five different sections:-

### **Section One – Practical Information about the School**

This section provides you with some background information on our school (and our Early Years Campus). It tells you how our school day and school year are made up and how to contact the school if, for example, your child is ill.

This section deals with the practical aspects of your child's attendance at our school. It provides details on such things as:

- travelling to and from school
- school meals and milk
- financial assistance with school clothing, transport and school meals
- school closures in an emergency or unexpectedly for any reason
- general supervision available for your child in the morning and at lunchtime
- wet weather details
- how the school communicates with parents
- how to complain if you are not happy about something.

As with any organisation, to ensure smooth running and appropriate maintenance of standards, a range of procedures and policies have to be implemented within our school.

This section gives an overview of the policies the school has in place. If you would like to see a full copy of these policies or to discuss them in more detail, please contact me. Most of these policies will be available on the school website –

[www.bonnybridge.falkirk.sch.uk](http://www.bonnybridge.falkirk.sch.uk)

## **Section Two – Parental Involvement in the School**

Parental involvement is very important as we know it helps children do better in school.

This section contains information about how parents can be involved in supporting learning at home as part of a home – school partnership.

You can also find out more about the ethos of the school, what our values are and our aspirations for our pupils including how we celebrate pupil success, and links we have with partner organisations and the wider local, national and international community.

Lastly, it includes information on our Bonnybridge Parent Group, how to contact them and how parents can get involved in the life and work of the school.

## **Section Three – School Curriculum**

This section describes how the curriculum is planned and delivered in the school including the range of subjects and subject areas your child will be learning. It also includes information on how pupils develop skills for learning, life and work, including literacy, numeracy and health and wellbeing in and out of the classroom.

As well as giving you information about the statutory curriculum requirements we have included details on sports and outdoor activities available to pupils and the range of facilities available within the school.

Details of how parents will be informed about sensitive aspects of learning e.g. relationships, sexual health, parenthood and drugs awareness are included as well as information about religious instruction and observance and arrangements for parents who wish to exercise their right to withdraw their child.

This handbook also tells you how we will report on your child's progress and what written reports may be sent out to parents.

## **Section Four – Support for Pupils**

This section gives information about how pupils' additional support needs will be identified and addressed and the types of specialist services provided within our school. This handbook also explains who to contact for more information if you think your child has additional support needs.

This section also gives information about transition – from primary school to secondary school – what the arrangements are and contact details of the catchment high school to which our pupils normally transfer. There are also details about making a placing request to another school.

## **Section Five – School Improvement**

This section gives you an overview of the main achievements of the school within the last 12 months and performance information relating to literacy, numeracy and health and wellbeing.

Whilst Falkirk Council is happy to provide this information we do have some reservations that the publication of raw statistics, without any kind of informed qualification, can be misleading to the reader. In particular, they should not be construed as offering an indication of the quality of education provided in any of our schools.

I have also shown where you can get further information about our plans for the next three years to improve our performance and how the school will involve parents in that improvement.

I hope you find all of the above information helpful and self-explanatory. If you have any queries about any of the information contained in this handbook, or indeed about any aspect of our school, please do not hesitate to contact me.

I look forward to your family joining us in Bonnybridge Primary.

Miss Debbie Calderwood  
Headteacher  
Bonnybridge Primary School

### **Disclaimer**

The information in this school handbook is considered to be correct at the time of publication (Dec 2017), however, it is possible that there may be some inaccuracy by the start of the school term in August 2018.

## **Section One – Practical Information about the School**

Bonnybridge Primary School is one of two non-denominational schools serving the village of Bonnybridge to the west of Falkirk. Our catchment area is defined by the Forth and Clyde canal which runs through the village, Bonnybridge Primary School serves the population north of the canal.

Bonnybridge village is within easy travelling distance of all major cities in Central Scotland, being adjacent to the motorway network and close to rail links.

Although most of the heavy industry once associated with the village has disappeared, employment levels are around the national average.

The school is constructed along traditional lines with spacious corridors and classrooms and a large games/dining hall. Our library is situated in the school and has modern technology to keep track of pupil and staff borrowing. Pupils from nursery to P7 are encouraged to exchange their books weekly from the wide selection available to them.

There is a range of extracurricular activities available after school for pupils at a variety of stages e.g. cross country, languages, choir, basketball and I.C.T. We are also very involved with Active Schools in Falkirk Council who provide a further menu of school clubs which include a variety of sports e.g. games, dance, gymnastics and many more throughout the session.

The extensive grounds offer plenty of areas in which the children can play, particularly during the drier months when they can access the grass areas around the school.

In August 2016 our Early Years Campus opened. This is situated in a modern, mobile unit next to the main school building. It provides early learning and childcare for children between the ages of 6 weeks and 5 years. The campus is open all year round from 8:00am to 6:00pm, with the exception of bank holidays and in service days. The campus offers flexible attendance patterns to meet the needs of parents in work or in further education. You can get an application form online, from the school or from Children's Services at Sealock House. For more information, please contact the campus on 01324 503162.

## **Contact Details**

**Name of Headteacher – Miss Debbie Calderwood**

**Name of School – Bonnybridge Primary School**

**Address – Wellpark Terrace**

**Bonnybridge**

**FK4 1LR**

**School Telephone Number – 01324 503160**

**Early Learning & Childcare Campus Telephone Number – 01324 503162**

**Website - [www.bonnybridge.falkirk.sch.uk](http://www.bonnybridge.falkirk.sch.uk)**

**E-mail Address - [bonnybridgeprimaryschool@falkirk.gov.uk](mailto:bonnybridgeprimaryschool@falkirk.gov.uk)**

## **About the school**

**Stages of Education provided for are children between the ages of 6 weeks and 5 years in our Early Learning & Childcare Campus and P1 to P7 in school.**

**Present Roll – 322 in P1 – P7 and up to 98 children in the Early Years Campus.**

**We are a non-denominational school and welcome pupils from all faiths.**

## **Organisation of the School Day**

**Start Time - 9am**

**Morning Break - 10.30am – 10.45am**

**Lunch Time - 12.15pm – 1.00pm**

**Finish Time- 3.00pm**

## **Organisation of the Early Learning & Childcare Campus**

**Class Times - 8:30am – 11.40am and 12:20pm – 3:30pm**

**Also Extended Day available from 8am – 6pm**

## Agreed Term Dates for Session 2018-2019

School Year	<u>Term Dates</u>	<u>Days</u>	
		<u>Staff</u>	<u>Pupils</u>
Autumn Term Begins (Staff Only - Dev Day)	Friday 17 August 2018		
(Staff Only - Dev Day)	Monday 20 August 2018		
Autumn Term Begins (Pupils)	Tuesday 21 August 2018		
Autumn Term Ends	Friday 12 October 2018	40	38
Winter Term Begins (Staff Only - Dev Day)	Monday 22 October 2018		
Winter Term Begins (Pupils)	Tuesday 23 October 2018		
Winter Term Ends	Friday 21 December 2018	45	44
Spring Term Begins	Monday 07 January 2019		
Spring Term Ends	Friday 29 March 2019	58	57
Summer Term Begins	Monday 15 April 2019		
Summer Term Ends	Friday 28 June 2019	52	51
		<b><u>195</u></b>	<b><u>190</u></b>

### Term Time Public Holidays

Monday 10 September 2018  
 Friday 08 February 2019  
 Monday 11 February 2019  
 Monday 06 May 2019  
 Friday 19 April 2019 (Good Friday)  
 Monday 22 April 2019 (Easter Monday)

### Staff Development Days

Friday 17 August 2018  
 Monday 20 August 2018  
 Monday 22 October 2018  
 Tuesday 12 February 2019  
 Thursday 02 May 2019

## **Registration and enrolment**

The date for registration of new school entrants is advertised in all local nurseries, the local press and on the council's website [www.falkirk.gov.uk](http://www.falkirk.gov.uk). It is normally in January each year. Pupils should be registered in only one school for their catchment area. Parents will be provided with information about the school, when they register their child.

Parents who want to send their child to a school other than the catchment school must make a placing request. Please refer to section four of this handbook for more information on placing requests.

Parents of pupils who have moved into the catchment area or, who wish their child to transfer to the school, should contact the school office for information.

## **Attendance and absence**

It is the responsibility of parents of a child of school age to make sure that their child is educated. Most do this by sending their child to school regularly. Attendance is recorded twice a day, morning and afternoon.

Absence from school is recorded as 'authorised' i.e. it has been approved by the education authority, or as 'unauthorised' i.e. the absence remaining unexplained by the parent (truancy).

Please let the school know by letter or phone if your child is likely to be absent. If there is no explanation from a child's parents / carers, the absence will be regarded as unauthorised.

Please make every effort to avoid family holidays during term time as this disrupts your child's education and reduces learning time. In certain extreme situations, the headteacher can approve absence from school for a family holiday for example, in traumatic domestic circumstances where the holiday would improve the cohesion and wellbeing of the family. Please discuss your plans with the head teacher before the holiday. If the head teacher does not give permission before the holiday, it will be recorded as unauthorised absence. The head teacher may also exercise discretion when a parent can prove that work commitments make a family holiday impossible during school holiday times. Normally, your employer will need to provide evidence of your work commitments. Absence approved by the headteacher on this basis is regarded as authorised absence.

Parents from minority ethnic and/or religious communities may request that their children be permitted to be absent from school to celebrate recognised religious and/or cultural events. Absence approved by the headteacher on this basis is regarded as authorised absence. Extended leave can also be granted on request for families returning to their country of origin for cultural or care reasons.

A supportive approach is taken to unexplained absence. However the education authority has legal powers to write to, interview or prosecute parents, or refer pupils to the Reporter to the Children's Panel.

## **School Dress Code**

Parents are asked to co-operate with the school in encouraging their child to follow the school's dress code.

All schools have a dress code, which includes the school's policy on uniform. The wearing of uniform is encouraged as it helps to:

- develop a school community spirit
- improves school security by making non-pupils more easily identifiable
- allows pupils to be easily identified when out of the school, e.g. on trips
- enhances the school's reputation within the community; and
- minimises rivalry and bullying amongst pupils that can arise from, for example, the wearing of designer clothing.

The school's dress code has been agreed in consultation with parents, pupils, staff and the Parent Council. This consultation has ensured that the dress code meets the needs of the school community, allows pupils to participate in all aspects of school life and is age appropriate.

### **Our Uniform**

Red Bonnybridge Primary sweatshirt with white Bonnybridge Primary polo-shirt

Or white school shirt with Bonnybridge Primary tie

And

Black skirt / trousers

Black shoes

The appropriate clothing and footwear for PE is a T-shirt, shorts and gym shoes with non-marking soles. These are necessary for health and safety reasons and your co-operation is requested to ensure that pupils are equipped to participate in the PE lessons.

Please ensure that all items of clothing are clearly labelled, particularly ties, sweat shirts and PE equipment, which are often lost. A protective apron or an old shirt should be worn for art and craft activities. Please help the school and the education authority by making sure that pupils do not bring valuable or expensive items of clothing to school.

In certain circumstances, appropriate clothing will be necessary for school activities for safety reasons, e.g. in games areas, science laboratories and technical workshops; this extends to the wearing of suitable footwear and even, on occasion, to the length of pupils' hair and the wearing of jewellery and earrings.

Offensive clothing such as T-shirts or other items featuring inappropriate language or illustrations is not permitted. Football colours are also inappropriate as they can lead to incidents of rivalry.

If you have any queries regarding the school's dress code, please contact the Headteacher.

## **School Meals**

Primary and Secondary Menus offer healthy and tasty meal options whilst reflecting the Scottish Government food and drink legal requirements for School Lunches. Special diets and allergies are usually accommodated subject to consultation with the parent/guardian and the regional dietician. Primary School Menus provide 3 daily choices with High Schools providing a range of plated meals, pasta, meal deals and salad boxes. Meal prices are reviewed annually. Please contact the school to be advised of the current price.

All P1-3 pupils are entitled to a free school meal. In the case of P4-P7 and secondary aged pupils, some families may be eligible to apply to Falkirk Council for provision of free school meals. Further details can be obtained from your child's school.

We have an onsite kitchen that provides all our meals and these are served in our large dining hall. Meals can be paid for on a daily basis at the time of ordering.

Should you wish your child to bring a packed lunch from home this will also be eaten in the dining hall. We request that no cans or glass bottles be brought into school and that no fizzy drinks including fizzy water are part of your child's packed lunch. We ask that your child does not bring in snacks containing nuts as we have pupils who have severe nut allergies.

Parents may also wish to take their child home at lunchtime. Children going home can be collected from the same door as where they line up at 9am and returned to the school playground by 1pm.

## **Medically Prescribed Diets**

Parents/Carers with a child/ren on a medically prescribed diet should contact the Headteacher in order to obtain and complete a prescribed diet referral form. The Schools Meals Service will only accommodate a child/ren with a medical referral supplied by their G.P.

## **Free Meals Provision**

With the exception of certain local arrangements, eligibility for Free School Meals in Scotland is set nationally by the Scottish Government on an annual basis, and is means tested.

### **Eligibility for Free School Meals**

As of January 2015, all Primary 1 - 3 pupils are entitled to a free school meal. In addition, we can provide free school meals to children who live in the Falkirk Council area, are attending a [Falkirk Council school](#) and whose parents or carers get one of the following:

- Income Support\*
- Income Based Job Seekers Allowance\*
- Employment and Support Allowance (Income Related)\*

- Child Tax Credit, but not Working Tax Credit, where the award letter from Her Majesty's Revenue and Customs (HMRC) states that the annual income is not greater than £16,105
- Child Tax Credit and Working Tax Credit, where the award letter from Her Majesty's Revenue Customs (HMRC) states that the annual income is below £6,420
- Support under Part VI of the Immigration and Asylum Act 1999
- Universal Credit where the monthly earned income does not exceed £610

\* Pupils are eligible to apply for free school meals in their own right if they are aged 16 to 18, and receive one of these benefits.

## School Clothing Grant

Falkirk Council can also provide assistance with the cost of school clothing and footwear.

Clothing grants are available for children who live in the Falkirk Council area and who are in compulsory education at any of our [primary](#), [special](#) or [secondary](#) schools. Pupils attending some special schools outside the area may also be eligible for this grant.

School clothing grants are not available to children attending [nursery schools](#), nursery classes or other pre-5 centres.

The School Clothing Grant is means tested. To be eligible, parents or guardians must meet one of the following criteria:

- In receipt of Income Support, or
- In receipt of Income-based Job Seekers Allowance, or
- In receipt of Income-related Employment and Support Allowance, or
- In receipt of Child Tax Credit only with a gross annual income below £16,105, or
- In receipt of Child Tax Credit and Working Tax Credit with a gross annual income below £16,105

Payments are paid directly into the parent or guardian's bank account.

**Application Forms for Clothing Grant and Free School Meals** including eligibility criteria are available from the school, Falkirk One Stop Shops, Registrars or can be downloaded from the Falkirk Council website – [www.falkirk.gov.uk](http://www.falkirk.gov.uk) The forms have to be completed by the parent / carer and evidence of income received may have to be provided. Please note that an application has to be made for each school year.

More information or help with completion of the form can be obtained from the Council's Advice and Information helpline on 01324 590599.

## **Travel to and from School**

Parents should remind their child(ren) that, in the interests of safety, good behaviour is expected from all pupils travelling on school transport.

Children should be reminded by parents that, wherever possible, they should only cross the road where there is a crossing patrol and should exercise care on walking to and from school.

Parents are requested, when dropping off/collecting children from school that they do not park near the pedestrian exit or in any location which causes an obstruction and they take care not to restrict the view of the school crossing patrol.

## **Transport for Primary and Secondary School Children (Excluding Placing Requests)**

Free school transport is provided to and from your home address to your child's catchment school if they are distance entitled. Falkirk Council operate a more generous distance entitlement policy than required by law.

Distance entitled children are:

- ✓ All children under 8 years of age who live one mile or over from their catchment school by the nearest available safe walking route\*.
- ✓ All children over 8 years of age who live two miles or over from their catchment school by the nearest available safe walking route\*.

\*Note – a “safe walking route” assumes that the pupil is accompanied by a responsible adult.

Concessions, details of times of operation, criteria and application forms are available from the Transport Planning Unit within Falkirk Council. Tel: 01324 504724 / 504966.

### **Pickup points**

Where home to school transport is provided, some pupils will require to walk a reasonable distance from home to the transport pick-up point but this should not exceed the authority's agreed limit of 1 mile.

It is the parent's responsibility to make sure that their child arrives at the pickup point on time and behaves in a safe and acceptable manner while boarding, travelling in and leaving the vehicle. Children who misbehave can lose their right to home to school transport.

### **General Supervision**

Before school begins there is no supervision, therefore pupils should not arrive at school until as near to the school start time as possible.

During intervals the children are supervised by SFLA's. In addition the Headteacher and Depute Headteacher are on call to cope with any difficulties which may arise. There is always access to the building and the children are made aware of this.

## **School security**

Falkirk Council has introduced procedures to ensure the safety and security of pupils and staff when attending or working in a school. We use a number of security measures including a visitors' book, badges and escorts, while visitors are within the school building. Normally, anyone calling at a school for any reason will be asked to report to the school office. The school staff then can make the necessary arrangements for the visit.

## **Wet Weather Arrangements**

In wet weather pupils are allowed into school during breaks and at lunchtime. However, as supervision during these periods is limited, it is especially important that they exercise good behaviour. Children having school lunches may remain in school during wet weather but, again, supervision is limited. Those having a home lunch should arrive back in school just before the start of the afternoon session at 1pm.

## **Parents Meetings**

All of our schools offer opportunities for parents to discuss their child's progress with teachers through arranged meetings. Arrangements vary from school to school but all parents will be advised of when these meetings will take place. In addition to these set dates, parents are able to contact the school at any time to ask for information or for a meeting. Please see section two of this handbook for more details on home / school partnership.

## **Communication with Home**

From time to time your child will bring home important and routine communications from the school. Parents are encouraged to check their child's schoolbag for these communications. Enquiries of any kind should be addressed to the Head Teacher in the first instance.

## **Unexpected Closures**

Most closures will be notified to you in writing, in advance, but there are occasions when the children may be dismissed early without warning, e.g. as a result of power cuts or severe weather. In the event of an early school closure please ensure that your child knows where to go if you are not usually at home during the day. To help us keep you informed it is important that you make sure we have the most up to date emergency contact information for your family. We will keep in touch using text messaging; twitter, via the Falkirk Council website or via information broadcast on Central FM.

## **Mobile devices**

Parents provide their children with mobile devices for a variety of reasons, including supporting learning and for personal safety. It is the right of parents to allow their child to have a personal mobile device in school. However, if devices are brought to school there must be a clear understanding that the individual pupil is responsible for the care and usage of their device(s).

Education establishments develop their own mobile device policies in consultation with pupils, parents and staff. For more information on this topic, please contact your child's school.

## **ICT Acceptable Use Policy**

Falkirk Council Children's Services recognises that access to Information and Communications Technology (ICT) equipment and services helps young people to learn and develop skills that will prepare them for work, life and citizenship in the 21st Century.

To support this, we provide resources for pupils and staff to use. The Children's Services ICT Acceptable Use Policy (AUP) outlines the guidelines and behaviours that pupils are expected to follow when using school equipment or when using personally-owned mobile devices in Falkirk Council establishments. The purpose of this is to protect young people online and to protect the Council's network and equipment. The ICT Acceptable Use Policy (AUP) will be issued by the school for both parent(s) and pupil(s) to sign.

## **Equality**

The council is required to work towards advancing equality of opportunity for all people and to foster good relations between people. The council is committed to eliminating discrimination on the grounds of race, sex, disability, sexual orientation, religion/belief, age, marriage or civil partnership, transgender status, pregnancy/maternity or poverty.

Children's Services has a range of policies and procedures to address equalities issues specific to education to enable us to fulfil these duties. In addition to this all education establishments have a responsibility to report incidents of identity-based bullying.

## **English as an Additional Language**

The Council provides a support service of teachers of English as an additional language. The teachers visit schools to work with those bilingual pupils who require assistance in developing English language skills.

## **Compliments, Enquiries and Complaints Procedure**

Falkirk Council Children's Services would like you to be completely satisfied with your child's education. We encourage feedback on our services from parents, pupils and members of the public. We are interested in feedback of all kinds, whether it be compliments, enquiries or complaints.

Sometimes, customers may feel that the services provided are not what they wished for and they may wish to complain. If you have a complaint about the service provided by the school, please let us know.

### **How do I complain?**

Complaints can be made to schools in writing, by email, on the telephone, in person or by using the Falkirk Council online complaints form on the website.

### **Who do I complain to?**

Parents must first consult the school regarding their complaint.

### **What happens with my complaint?**

All complaints will now be logged confidentially on our Customer First online complaints handling system. They will be monitored exclusively by each school and Children's Services staff at Sealock House to ensure any response is within the timescales. This new monitoring system will enable us to learn from complaints to prevent similar issues arising in future. We will deal with your complaint confidentially and as quickly as possible. If we have made a mistake we will apologise and try to put things right.

### **How long will it take until I get a reply?**

Our aim is to respond within 5 working days to front line complaints, although issues can sometimes be complex and the school may need time to investigate them.

### **What happens next?**

If your complaint has not been satisfactorily resolved by the school, it may be eligible for consideration at the second, investigation stage by Children's Services headquarters at Sealock House. Complaints will not be considered by Children's Services unless they have been first reported to the school – unless there are exceptional circumstances. Our aim is to respond to second stage complaints within 20 working days.

### **Who else can help?**

If you remain dissatisfied after the second, investigation stage, you can raise the matter with the Scottish Public Services Ombudsman

<https://www.spsso.org.uk/complain/form/start/>

You should also be aware that you have the right to raise concerns with your local Councillor, MSP or MP.

### **What else do I need to know?**

Please note that schools can only respond to complaints about a service that they or Falkirk Council provides or a service we have contracted from a third party.

The Council's complaints handling procedure sets a time limit for making a complaint of six months from when the customer first knew of the problem

**You can find out more about the Council's Complaint Procedure from the Falkirk Council website - <http://www.falkirk.gov.uk/contact-us/complaints/>**

## **School Health Service**

NHS Forth Valley has a statutory obligation to provide a health service for all school age children in Falkirk District. The aim of the service is to make sure that all children, throughout their school years, are in the best possible health to benefit from their education

The Public Health Nursing Team for Schools offer health assessments and reviews, health screening and deliver school based immunisation programmes. The team comprises of Public Health Nurses (Specialist Practitioner), Registered Nurses and Healthcare Assistants who are based in a local Health Centre and work over a number of schools in the area.

Pupil's, parents/carers can request a health appointment at any time. Other health professionals and teaching staff can also request a health appointment for the child or young person with parental and/or young person's consent.

Health reviews will take place as necessary involving a parent questionnaire, a check of health records and if required screening of growth and vision.

- Health screening – All children in primary one and at other selected stages will be seen to have their growth and vision checked
- Immunisations – Secondary school pupils are offered immunisations. At the appropriate time information booklets and consent forms will be issued.
- Health Education – The Public Health Nursing Team has an important role in encouraging health lifestyles, working closely with teaching staff, pupils, parents/carers and the community.

The School Doctor (Community Paediatrician) may also offer appointments to children who have a significant ongoing medical or developmental condition affecting their education. School staff and parents can request a consultation with the School Doctor at any time.

The School Health Service can be contacted on – 01786 434059

The Public Dental Service carries out dental inspections in Primary 1 and Primary 7 and can help access dental services for those children who are not registered with a Dentist.

## **Infectious Diseases**

Colds, flu and gastroenteritis are the most common infections affecting children of school age. It is important that you keep your child off school in the early stages of flu and while they still have diarrhoea.

It is also important that your child understands how to prevent picking up and spreading such infections. You will be able to get further advice about good health from staff in your Health Centre or GP Practice.

For advice about early detection and treatment for other infectious diseases e.g. chickenpox and mumps, please consult your GP or Nurse.

## **Head Lice**

Head lice are spread through head to head contact at home, while playing or in school.

Regular wet combing of your child's hair using a head lice detection comb is the best way to catch this possible problem at an early stage.

The only way to be sure that your child has head lice is to find a live louse. If you find live lice, get the correct lotion from your doctor, health visitor or pharmacist. Shampoos and other treatments are not effective.

One treatment is two applications of the treatment lotion, seven days apart. If this is not followed then re-infection is likely.

Advise family members and close friends that your child has head lice and that they should check their own hair. Only treat if live lice are found. Don't be shy about advising others of this possible problem because you would likely tell family and friends about other infections which might affect them.

Regular wet combing of your child's hair with the head lice detector comb is the best protection as it allows you to detect the condition and treat it speedily.

Further advice can be obtained from the Health Board head lice leaflet which is available in all schools and health centres. Children's Services leaflet 'Frequently Asked Questions', which is also available in schools.

If you would like to discuss your particular concerns, you could speak to:

Infection Control Service  
Forth Valley Royal Hospital  
Stirling Road  
Larbert  
FK5 4WR  
01324 567490 / 01324 567679

### **Clinics**

From time to time some children are asked to attend clinics (eye clinics, dentist, doctor, etc). Please inform the school of these visits and arrange for your child to be collected if he/she must leave school to attend the clinic.

No child will be allowed away from school during school hours unless accompanied by a responsible adult or unless written permission to do so has been given by the parent.

### **Medicine administration**

The administration of medicines prescribed by a family doctor is undertaken at the discretion of the Headteacher but schools are generally happy to co-operate with parents in doing so. In order to safeguard the health and safety of children, procedures are drawn up by Falkirk Council Children's Services.

When a child is prescribed medication by a doctor or a dentist and parents require the school to administer this, the relevant request form should be completed. The MED 1 Form requires parents to deliver the medication to schools for administration by school staff. MED 4 Form permits pupils to carry and administer medication themselves e.g. inhalers. Prescribed medication should be clearly marked with your child's name, the date prescribed, how often it has to be taken and for how long. Falkirk Council liability insurance does not provide indemnity to employees for administering non- prescribed medicines.

For medical appointments during school hours, please notify the school by letter and collect your child from the school.

# **Insurance Cover for School Children**

## **Public Liability**

### **Personal Injury**

Falkirk Council has in force a Public Liability Insurance Policy, which operates in respect of claims for injury to any school child whilst in the custody / control of the local authority or its employees. There requires to be proof supplied by the claimants parent / guardian that Falkirk Council have been negligent in law.

### **Pupil's Property**

It is an unfortunate fact that each session pupils property may be lost, damaged or stolen. Please note that all items brought onto school premises / on excursions are at your own risk. You should investigate if your own Household policy extends to cover personal belongings whilst outside the home and you are discouraged from allowing pupils to carry expensive personal belongings to school.

### **Personal Accident – Educational Excursions**

The Council has in force a Personal Accident Insurance Policy for school children whilst on an organised trip (both UK and Overseas), under which compensation is payable as follows:

- |                                   |                                  |
|-----------------------------------|----------------------------------|
| 1. Death                          | £10,000 Under 18 years of age    |
| 2. Death                          | £30,000 18 Years of age and over |
| 3. Permanent / Partial Disability | Up to £30,000                    |

## **Section Two – Parental Involvement in the School**

### **Parents Welcome**

All Falkirk Council schools welcome parental involvement. Research has shown that when parents are involved children do better in school.

Parents are encouraged to become involved in the school in a variety of ways. We welcome parents as helpers in school and as partners in school developments.

We consult and seek parents' views formally through questionnaires and discussion groups and informally during our "tea, coffee and a chance to share ideas".

We run drop in sessions to support homework and workshops to inform parents of new developments.

Communication is high on our list of priorities and we keep parents updated through our newsletters, on our website, through Glow, via our Twitter account (@BonnybridgePS) and with fliers giving information on forthcoming events. We will also contact parents by phone or with our text messaging service and during severe weather through Central FM.

Should you wish to contact the school you are encouraged to call at the school and speak with the Headteacher. You may also write to the school, use our website or our e-mail account to make an enquiry or to log a concern; regardless of the matter raised we will endeavour to respond within 24 hours.

Parents can use homework diaries/jotters as a means of continuous engagement with class teachers and additional meetings can be arranged as required out with those already offered. We host a variety of parent workshops throughout the year.

### **Parent Councils**

Parents are welcomed to be:

- involved with their child's education and learning;
- be active participants in the life of the school; and
- express their views on school education generally and work in partnership with the school.

All parents / carers are automatically members of the Parent Forum at this school. As a member of the Parent Forum all parents can expect to –

- receive information about the school and its activities;
- hear about what partnership with parents means in our school;
- be invited to be involved in ways and times that suit you;
- identify issues you want the Parent Council to work on with the school;
- be asked your opinion by the Parent Council on issues relating to the school and the education it provides;

- work in partnership with staff; and
- enjoy taking part in the life of the school in whatever way possible.

Parent Councils are the formal representative body for parents / carers with children attending school. Parent Councils are different in each school to enable them to meet the needs of parents / carers locally.

The Parent Forum decides how their representatives on the Parent Council are chosen and how the Parent Council operates. Parents / carers are encouraged to volunteer or put themselves forward to be chosen as representatives of the Parent Council if they wish.

The main aims of the Parent Council are:

- To support the school in its work with pupils
- To represent the views of parents
- To promote contact between the school, parents, pupils, providers of nursery education and the community
- To report to the Parent Forum
- To be involved in the appointment of senior promoted staff.
- To raise funds for the school for the benefit of pupils (in some schools the PTA/PA fulfils this role).

Our Bonnybridge Parents Group Chairperson is Mr Stewart Denny and he can be contacted through the school or by e-mail on [BBParentCouncil@gmail.com](mailto:BBParentCouncil@gmail.com) or via the Parent Council Facebook page.

*Parent Council page on Falkirk Council's website –*  
[www.falkirk.gov.uk/services/schools-education/school-life/parent-councils/](http://www.falkirk.gov.uk/services/schools-education/school-life/parent-councils/)

For more information on parental involvement or to find out about parents as partners in their children's learning, please contact the school or visit the Parentzone website at <https://www.education.gov.scot/parentzone/>

## **Parent Teacher Association (PTA)**

The PTA or PA is mainly responsible for arranging events for parents and raising funds for the school. Volunteers are welcome - please contact the PTA/PA if you want to join in. At Bonnybridge Primary school our PTA is known as the BFG (Bonnybridge Fundraising Group). Our BFG Chairperson is Angela Gallagher and she can be contacted through the school or via the BFG Facebook Page.

The Scottish Parent Teacher Council is the national organisation for PTAs and PAs in Scotland, Parent Councils are members too, and it runs an independent helpline service for all parents. They can be contacted by phone on 0131 474 6199, via website <https://www.sptc.info/>, email on [sptc@sptc.info](mailto:sptc@sptc.info) or write to SPTC, Mansfield Traquair Centre, 15 Mansfield Place, Edinburgh, EH3 6BB.

## **Pupil Council**

The Pupil Council is the voice of the children, allowing them to discuss issues concerning the life of the school. At Bonnybridge Primary School the Pupil Council has a representative from each class as well as a staff member. The pupils elect a chairperson who then runs their meetings and the elected secretary produces the minutes that are shared with all pupils and staff. Our Pupil Council is currently working on activities in school such as Children in Need and Christmas Bingo as well as being involved in school improvements. More information on the Pupil Council's activities can be found on our school website.

## **School Ethos**

*Bonnybridge Primary subscribes to the national vision that all children are nurtured, safe, active, healthy, achieving, included, respected and responsible.*

*At Bonnybridge Primary we aspire to becoming a learning organisation capable of continuous improvement – exhibiting excellence in learning and teaching practices, care welfare and support to maximise pupil achievement.*

*Our most prominent values include integrity, fairness, tolerance, respect, diversity, inclusion, equality and commitment.*

At Bonnybridge primary we are involved in the wider community of Bonnybridge and to encourage this we have strong links to the local parish church of Bonnybridge St Helen's where we hold some of our seasonal services. The Rev MacDonald is a familiar visitor to school and leads the whole school in our assembly once a month.

The pupils participate in local events i.e. singing for the Woman's Guild, taking part in competitions run by our local supermarkets and links with the local Care Home.

We have links with the Community Council and are happy to be included in their events.

As a school we have had international links to a school in Uganda, have welcomed foreign students and promote visits from other nationalities to enhance the learning experiences for our pupils.

As an ECO school we encourage care of our environment from our nursery pupils to our P7 pupils who all take an active part in discussions and developments within the school. We have recently achieved another green flag.

We have strong links with both Active School and local sports clubs who run events in the school throughout the year.

Our ethos is one of inclusion and diversity founded on mutual respect.

## **Development of Pupils' Spiritual, Moral, Cultural and Social Values**

The school is committed to supporting the development of its pupils as whole people and as a result, wishes to encourage their development in spiritual, moral, social and cultural terms.

These key human aspects of learning are supported through:-

- Creating a school ethos which, in every way possible, gives value to these aspects of development, especially by providing an overall atmosphere that is both caring and challenging and which provides opportunities for the development of personal responsibility.
- Promoting personal and social learning through the way in which relationship issues are handled.
- Ensuring adults in the school are positive models for pupils.
- Bringing pupils and staff together as a community to reinforce the values of the school.
- Enriching the curriculum to emphasise spiritual, moral, social and cultural development and development.
- Providing a programme of religious and moral education to consider the meaning, value and purpose of human life.
- Promoting equality and celebrating diversity of heritage and culture of pupils.

## **Pupil Conduct**

A partnership between the school and parents is necessary in order to ensure the best possible standards of pupil conduct.

Pupils are expected to set themselves high standards in appearance and behaviour. School rules are devised to encourage the maximum amount of self-discipline. The rules make clear what is expected of pupils, and how they are required to behave. The general aim is to produce an atmosphere of friendly co-operation, encouraging respect and consideration for their peers and for property. A behavioural agreement is included in the School Enrolment Form that parents complete when enrolling their child(ren). We are currently developing as a Rights Respecting School and this is part of our School Improvement Plan. We have a school charter and individual class charters which outline expectations.

## **School Motto**

Be all you can be!

## **Respect Me**

We operate a policy of respect in line with Scotland's Anti-Bullying charity 'RespectMe.' At Bonnybridge Primary School we celebrate positive behaviours and as appropriate use restorative approaches to discuss and resolve incidences of undesirable behaviours providing children with an opportunity to accept responsibility for their actions and suggest appropriate future responses.

The adoption of restorative approaches is a more effective response than traditional punishments. Pupils are given the opportunity to accept responsibility for their actions, recognise the harm done and are supported to find restorative responses to the harm they have caused.

Bonnybridge Primary school puts a huge emphasis on health and wellbeing and positive behaviour such as restorative, solution oriented and nurturing approaches.

We use Golden Time in school to promote appropriate behaviour and have a rewards scheme that rewards good behaviour twice a year. As a school we celebrate achievements in and out of school and have a monthly assembly that celebrates success. There are displays around the school that pay tribute to the pupils' achievements.

To give a flavour of how parents and pupils view the school I have included some of the quotes given at Parents' Nights and from correspondences.

Parents feel that:

*"There is an openness and willingness to listen", "Safe, happy place to be", "staff are friendly and approachable" "great school atmosphere from hands on positive staff", "Bonnybridge Primary – giving children confidence in their future", "instil a good community ethos in the children", "encourage my child to do the best of their ability" and "Bonnybridge Primary communicate well with parents".*

Pupils feel that:

*"All the teachers are friendly and helpful", "we are well taught", "nice people and a good education", "the dinner ladies are very good at making our lunch" and "this school is great to come to because the teachers are great and I learn a lot".*

These are just a few of the comments we collected from parents and pupils but they exemplify the ethos of the school.

There are times sanctions are appropriate; exclusion is seen as a last resort and carried out when incidents fall within the legislation criteria. Falkirk Council has a responsibility to provide an education for all pupils and to challenge and address bullying behaviour. Whilst appropriate action will be taken by the school, it is also important that all parents involved, work with the school to resolve any issues in the best interests of their child or young person.

## Section Three – School Curriculum

### Curriculum for Excellence

Bringing **learning to life** and **life to learning**

Curriculum for Excellence has now been introduced across Scotland for all 3-18 year olds – wherever they learn. It aims to **raise standards**, prepare our children for a future they do not yet know and equip them for jobs of tomorrow in a fast changing world. Curriculum for excellence will be fully implemented by 2016.

Glow, Scotland's unique, world leading, online network supports learners and teachers and plans are already in place for parents across the country to have access to Glow. Parents should ask the school how to arrange access to Glow and a user name and password will be issued.

Teachers and practitioners will share information to plan a child's 'learning journey' from 3-18, helping their progression from nursery to primary, primary to secondary and beyond, ensuring each transition is smooth. They'll ensure children continue to work at a pace they can cope with and with challenge they can thrive on.

Curriculum for Excellence balances the importance of **knowledge** and **skills**. Every child is entitled to a **broad and deep** general education, whatever their level and ability. Every single teacher and practitioner will be responsible for the development of **literacy and numeracy and health and wellbeing** from Early Level through to Senior Phase.

The experiences and outcomes are set out in lines of development which describe progress in learning. They are organised into the eight curriculum areas:

- Expressive arts
- Health and wellbeing
- Languages (including Literacy and English and Modern Languages)
- Mathematics
- Religious and moral education
- Sciences
- Social studies
- Technologies

It develops **skills** for learning, life and work, bringing real life into the classroom, making learning relevant and helping young people apply lessons to their life beyond the classroom. It links **knowledge** in one subject area to another helping make connections in their learning. It develops skills which can enable children to think for themselves, make sound judgements, challenge, enquire and find solutions.

There will be new ways of **assessing progress** and ensuring children achieve their potential. New qualifications at National 4 and 5 will be available from 2013/14. Our well regarded New Highers 2014-15 and New Highers 2015-16, Highers and Advanced Highers will be updated to take account of and support the new approaches to learning and teaching.

There is an entitlement to personal **support** to help young people fulfil their potential and make the most of their opportunities with **additional support** wherever that's needed. There will be a new emphasis by all staff on looking after our children's **health and wellbeing** – to ensure that the school is a place where children feel safe and secure.

Ultimately, Curriculum for Excellence aims to improve our children's life chances, to nurture **successful** learners, **confident** individuals, **effective** contributors, and **responsible** citizens, building on Scotland's reputation for great education.

The curriculum at Bonnybridge is very much guided by the Scottish Government and 'Learning to Achieve' at a national and local level. **Learning to Achieve** describes in detail how Curriculum for Excellence will be delivered in our educational establishments; it is used to monitor, develop and improve outcomes for children and young people. In addition, the local context of the school has paramount consideration when the broad curriculum is being planned.

At Bonnybridge Primary School we are preparing our pupils for life and lifelong learning to achieve this we will teach pupils in a context that make learning more meaningful. World of Work opportunities let pupils work with and talk to people from the work place and discuss the skills different jobs entail. By taking part in financial education pupils will learn how to manage money and make informed decisions about money matters. At the senior stage a trip including a residential element may be arranged. Pupils at Bonnybridge are also fortunate to receive the expertise of visiting specialists in PE and Music. Children learn another language - French; Spanish is soon to be added to the curriculum at a basic level, aimed at broadening pupil insight to the global community of which they are part.

We are continually looking at how we can extend the learning out with the classroom and ensure concepts into are taught in as a more meaningful learning experience.

Incorporated within our school year the pupils have the opportunity to learn about our Scottish culture during a Scottish week in January and we have a Health week that includes our Sports Day in June.

Trips and visits by specialists are planned around class topics and are vital to enhancing the learning experiences.

Parents who wish to learn more about the curriculum we offer at Bonnybridge Primary School can do so by logging on to Glow and checking out the parents' pages. You can also see the work of the school on our website.

[www.bonnybridge.falkirk.sch.uk](http://www.bonnybridge.falkirk.sch.uk), [twitter](#) and [facebook](#).

For national prospective parents should look at Education Scotland's website for all the current work going on in school. <https://education.gov.scot/>

Please contact the headteacher if you would like any further information about the curriculum within our school.

## **Active Learning**

Curriculum for Excellence emphasises the value of an active learning approach. Active learning is engagement of the brain whilst participating in learning opportunities. In the early years, children will have a range of learning experiences that include planned and purposeful play and stimulating learning which engages and challenges children's thinking using real life and imaginary situations. As children progress through school they continue to be involved in active learning experiences which give them ownership of their own learning, encourage co-operative working and utilise skills required for learning, life and work.

## **Planning Children's and Young People's Learning**

Teachers in nursery, primary and secondary schools share the purpose of learning with pupils during daily learning activities.

Teachers also plan over a longer term so that pupils experience a broad, balanced curriculum.

Pupils are aware of personal learning targets and these are renewed and assessed on a regular basis throughout blocks of learning.

It is common for pupils to have their learning documented in a personal learning log. This will include learning from across the whole curriculum and learning from beyond the classroom.

Bonnybridge Primary School recognises the importance of providing children with opportunities to make choices in relation to their learning. This approach to learning is child centred, promotes self-esteem and confidence, and encourages children to take an active and responsible role in their learning. Before pupils begin their Inter Disciplinary Learning topic (IDL), teachers consult with the class to gain an insight into their prior knowledge on the topic. They may do this through the use of a KWL chart (what we **Know**, what we **Wonder**, what we **Learned**) or via class discussion. In this way, the pupils are

contributing to the planning of the topic and the learning that will take place.

Pupils also are encouraged to make choices in relation to the targets they set for themselves, particularly in writing, however pupil directed targets may be used across many areas of the curriculum which allows children to take ownership of their learning.

Parents are encouraged to be involved in the planning and learning process where possible. They are asked to make comment on the learning that is taking place in the classroom. This is achieved by children's work being sent home, open evenings and Parent's Nights. The views of parents are highly valued and taken into consideration for the future planning of teaching and learning activities.

## **Homework**

Homework is designed to encourage pupils to practise new learning and reinforce taught skills.

Homework tasks will encourage a broad range of skills: written, oral and practical.

Parents are encouraged to share in the completion of homework tasks, this will support a sound understanding of pupils learning in school.

## **Care of Books / Materials**

To enable us to provide the best possible education for your child, every care should be taken to look after the school's resources and facilities. Parents are asked to remind their child(ren) that all school equipment and fittings should be used with care.

Books and learning resources which are lost or destroyed must be paid for, either wholly or in part, depending on the age of the resource. Any loss of school or Council property should be reported immediately to the school.

## **Sensitive Aspects of Learning**

We appreciate that there are times when more sensitive issues need to be taught in school and to this end we have produced leaflets that inform parents what, how and when certain topics will be taught.

We also offer workshops for parents where they have the opportunity to look at materials being used and discuss the any issue they may have.

## **Religious Instruction and Observance**

### **Religious Instruction**

Schools have a statutory duty to provide Religious Instruction in the timetable. This aims to promote a knowledge of the Christian and other faiths, and encourage children and young people to develop enquiring minds through investigating spiritual, moral and philosophical issues.

Religious Instruction may include visits to local places of worship, and/or visits from representatives of places of worship. This helps children and young people to develop knowledge and understanding of faiths, especially those with which they are less familiar.

Ultimately, pupils in the upper secondary school can gain a qualification through the study of Religious, Moral and Philosophical Studies at Higher and Advanced Higher Levels. These courses further develop young people's skills in logical thinking, methodical enquiry and ways of expressing ideas effectively.

### **Religious Observance/Time for Reflection**

Religious Observance, which may take the form of a Time for Reflection, is held at least six times a year, in addition to traditional celebrations central to the life of the school community. Religious Observance will often (but not necessarily) take the form of an assembly.

### **Withdrawal from Religious Instruction and Religious Observance/Time for Reflection**

Parents who wish to exercise their right to withdraw their child from religious instruction and/or observance are encouraged to discuss initially their intention with the Headteacher to enable them to make a fully informed decision. Parents who wish to proceed thereafter to withdraw their child(ren) should notify the Headteacher in writing. This is so that alternative educational activities can be planned for their child(ren) during times of religious Instruction and/or Observance.

### **Extra Curricular Activities**

Every school is encouraged to offer as wide a range of sporting and cultural activities as possible. In this context, the Authority provides a degree of financial and administrative support for leagues, competitions, festivals and similar events but it is recognised that, again, the help of parents and the community is irreplaceable. Quite separately, the Council and / or Falkirk Community Trust and other partner organisations also undertake to organise and administer certain events and many schools take part in these.

There is a range of extra curricular activities available for pupils during lunchtime and after school. Parents will be informed about these by the school. In addition to in-school activities, classes also make regular educational visits and field studies. Wherever possible, these visits are linked to pupils' class work.

All activities are supervised by members of staff, and many schools have a study support co-ordinator whose job is to plan and oversee the extra

curricular programme of activities. Where participation involves children travelling or staying late after school, written permission for children taking part is required from parents.

## **Facilities for Physical Education and Outdoor Activities**

The gym hall has a variety of apparatus for physical education within the school. As part of the school's physical education programme, pupils may also use the facilities of a local sports complex, swimming pool or athletics stadium.

## **Active Schools**

Active Schools are now part of Falkirk Community Trust. Active Schools aims to provide more and higher quality opportunities to take part in sport and physical activity before school, during lunchtime and after school, and to develop effective pathways between schools and sports clubs in the local community.

Active School co-ordinators work with primary, secondary and additional support needs schools to increase the number and diversity of children and young people participating in Active Schools activities. In Falkirk there are 8 cluster schools that co-ordinators work with to provide clubs, events and coach education training, For further information please contact 01324 590952.

[www.falkirkcommunitytrust.org/sport/active-schools](http://www.falkirkcommunitytrust.org/sport/active-schools)

## **Assessment and Reporting**

### **Assessment helps pupils to:**

- know their strengths
- Identify next steps in learning

### **Assessment helps teachers to:**

- plan next steps for individual pupils, pupil groups and the whole class

### **Assessment helps parents to:**

- know how well their child is progressing
- know what they can do to help with the child's learning

Assessment takes place informally all the time, and more formally at key points in the year.

Day-to-day assessment

Ongoing informal assessments take place each day through teachers noting each learner's progress and any areas of concern. These are used to help the teacher and child/young person to agree ways forward in learning.

### Longer-term assessment

At certain points in the year, agreed by the head teacher and staff, the school takes stock of children's and young people's progress over time. The teacher (or teachers) review(s) marked work (possibly including tests). From this and other available evidence, including Scottish National Survey of Achievement tests (see below) an overview of progress is gained. Next steps in learning are also identified.

### Finding out about your child's progress

Parents and carers can find out about their child's learning through:

- attending parents' evenings
- discussing progress with teachers and school managers by appointment
- attending open evenings and/or afternoons including 'meet-the-teacher' events
- social media updates from the teacher and/or school
- pupil summary reports

Pupil Summary Reports are sent home to parents enabling them to return comments to the school.

More information about what data is collected about your child is given in section five of this handbook.

### Curriculum for Excellence Levels

Teachers are increasingly making use of Curriculum for Excellence Levels to sum up learners' progress.

These Levels are as follows:

Level	Stage
Early	the pre-school years and P1 or later for some
First	to the end of P4, but earlier or later for some

Second	To the end of P7, but earlier or later for some
Third and Fourth	S1 to S3, but earlier for some The fourth level broadly equates to SCQF level 4
Senior phase	S4 - S6 and college or other means of study

### Scottish National Standardised Assessments

As well as day-to-day assessments, from session 2017-18 onwards, schools test pupils in Primary 1, 4 and 7, and in Secondary 2 using Scottish National Standardised Assessments (SNSA).

SNSA tests are carried out online by all pupils in the child's year stage, the first round of testing taking place in Summer Term, 2018. Test results will be used by the school as part of their evidence-gathering about the child's progress.

As well as giving Curriculum for Excellence Levels for Reading, Writing, Listening and Talking, and Numeracy, the tests will help the child and the teacher to identify specific strengths and areas for development.

Schools will provide parents with the results of these tests for their own child(ren) on request (i.e. results for other children will not be shared).

Schools will report annually their overall attainment by Curriculum for Excellence Level as part of their Standards and Quality Reports.

## **Section Four – Support for Pupils**

### **Getting It Right For Every Child (GIRFEC)**

Taking care of our children's well-being and making sure they are alright - even before they are born - helps us ensure the most positive outcomes for them later in life. It gives them the potential to grow up ready to succeed and play their part in society.

Getting it Right for Every Children (GIRFEC) is the Scottish Government's approach to improve children's services. The wellbeing of all children and young people is at the heart of GIRFEC. Services must work together with children, young people and their families to provide quick and effective support when it is needed

### **Wellbeing**

The Getting it Right approach looks at eight areas of 'well-being'. These are recognised as areas in which children and young people need to progress in

order to do well now and in the future. They allow those responsible for the care and support of children - including members of their own families - to look at a situation in a structured way that will help them identify any needs and concerns and plan with the child and family any action they need to take. The eight well-being indicators are:

- Safe
- Healthy
- Achieving
- Nurtured
- Active
- Responsible
- Respected
- Included

The approach gives them a common language and a way to gather information about a child's world, making sure the child is growing and developing, and has everything they need from the people who look after them both at home and in the wider community. It also encourages practitioners to think about who else might need to be involved (for example a teacher might need to contact other professionals to make sure that an education plan with the child and family is meeting all the child's needs).

### **Role of Named Person**

All children and young people are entitled to access help or support from the Named Person no matter where they live or how old they are (up to eighteen years). It ensures they have the confidence to know that information, advice or support is there if and when they need it. The Named Person is therefore the identified point of contact.

The role is generally carried out by a Health Visitor for pre-school children or a promoted teacher for children and young people enrolled at school. It is an integral part of existing roles and responsibilities, working within universal services.

The Named Person is also available to other practitioners who may have concerns about the wellbeing of a child or young person which cannot be addressed within their own services. Consent to share information, whether being shared with or by the Named Person, will always be obtained and meaningful discussion will take place with families to ensure the right support is offered. The exception to this would be if child protection concern is identified and there is a risk to the child or young person.

When the Named Person is not available, another member of staff in school will be able to help. During school holidays an officer from Children's Services Headquarters will provide the required advice and support.

### **Family Support Service**

Across Falkirk there are a number of services who can support children. Young people and their families from early intervention to more intensive support.

The main aim of these services is to increase the wellbeing of young people and their families.

Children, young people and their parents may require additional support at different times in their life e.g. following a bereavement, illness, transition, when experiencing anxiety, behaviour issues, during or after changes in family circumstances.

Support is tailored to meet the individual needs of children & families, when they need it and as locally as possible.

Individual or group work can be delivered in school, home or in the community.

A request for support can be made through a member of school staff (named person) who will be able to talk with you, gather information & your family's views. This helps identify the most appropriate service.

Family Support services work in partnership with families, schools and other agencies to support young people's wellbeing.

### **Protecting Children and Young People**

All children have a right to be protected from harm, abuse and neglect. The vision of the Forth Valley Child Protection Committee is that "It's everyone's job to make sure that children in the Forth Valley are safe."

Children's Services have an important role in identifying children who have been abused or are at risk of being abused.

Falkirk Council has clear procedures for all staff to follow. Headteachers or a designated member of staff are instructed to notify Children's Services when a member of staff has a suspicion that a child might have been abused or be at risk of abuse.

Children's Services will make a decision on whether or not an investigation is necessary and will advise accordingly. In every situation, the welfare of the child overrides other considerations.

### **Additional Support Needs**

As with all local authority schools in Scotland, this school operates under the terms of the Additional Support for Learning Act (2009) and its accompanying Code of Practice. Further details of the policies and procedures can be found on the Falkirk Council website: <http://www.falkirk.gov.uk/services/schools->

[education/additional-support-needs/](#). These procedures have been strengthened through the Children and Young People Act (2014).

Working with other agencies and professionals – for example, Social Work Services, Educational Psychology Service, National Health Service and parents – decisions are made jointly with parents, children and young people with regards to the best possible education to meet the needs of the child within the resources available.

### **Support for Pupils**

Pupils' additional support needs will be identified and addressed through the Getting It Right For Every Child processes. This involves close co-operation between the parent or carer, the child and the staff in school – they are the core part of the Team Around the Child. Others involved in your child's education and well-being will also be part of the Team, and will help to complete a rounded picture of assessment where appropriate. The Team will also draw up and review plans to meet the needs identified. Their activities are co-ordinated by the Named Person, who is responsible for ensuring plans are implemented and has an overall picture of the pupil's progress. You will be told who the Named Person is for your child when they start school. If you believe your child may have unrecognised additional support needs, your first point of contact should be the child's EYO class teacher or guidance teacher.

The school makes provision for pupils with additional support needs throughout their education:

- each teacher differentiates the Curriculum for Excellence within their class to provide educational targets and objectives suited to their age and stage of development
- the school has a Support for Learning Teacher to co-ordinate and organise support for children
- the school can allocate s Support for Learning Assistant on a basis of need exceptional cases

### **Disputes and Resolution in Additional Support Needs**

Schools and Early Years facilities do their best to support pupils, and are responsive to the needs of parents, carers and pupils. Nevertheless, problems may arise, and it is important to deal with these as soon as possible.

In the first instant it is usually wise to contact the school or nursery directly, and if the matter cannot be satisfactorily resolved, they may call on the services of some of centrally-based staff – the Additional Support for Learning Adviser, the Educational Psychologist or the school's attached Team Manager. Children's Services also commission independent mediation through Children in Scotland. Their services, called Resolve, may be arranged by the Additional Support for Learning Adviser, or accessed directly by parents on 0131-222-2456.

Parents, carers and children with additional support needs can also seek

independent advice and support through:

- Enquire – the Scottish advice and information Service for additional support for learning: [www.enquire.org.uk](http://www.enquire.org.uk), 0345 123 2303
- Scottish Independent Advocacy Alliance; [www.siaa.org.uk](http://www.siaa.org.uk), 0131-260-5380
- Take Note: National Advocacy Service for Additional Support Needs (Barnados in association with the Scottish Child Law Centre) [www.sclc.org.uk](http://www.sclc.org.uk), 0131-667-6633.
- Let's Talk ASN, c/o Govan Law Centre, [letstalkasn@edlaw-org.uk](mailto:letstalkasn@edlaw-org.uk), 0141-445-1955.

## **Educational Psychology Service**

Educational Psychologists work in collaboration with teachers, parents and other professionals to support children and young people with their learning and general development, and to make the most of their lives, particularly in educational settings.

Every school and pre-five establishment has a link Educational Psychologist who provides consultation, assessment intervention, training and project work.

The school must obtain the agreement of parents and, where appropriate, the pupil before involving the Educational Psychology Service.

## **Pastoral Support**

At Bonnybridge Primary we offer a high level of pastoral care and fully embrace the "Getting it Right for Every Child" (GIRFEC) approach. All our staff are trained annually in Child Protection issues and the Health and Wellbeing of pupils sits at the top of our priorities. Further information about GIRFEC can be found by visiting <http://www.gov.scot/Topics/People/Young-People/gettingitright/what-is-girfec>

We have an open door policy and parents are encouraged to share concerns they have regarding their child. By sharing information we can provide the pastoral care pupils require.

## **Transitions**

Transitions are an integral part of education and whether your child is moving from Nursery to P1, P7 to S1 or from one stage to another in the school these are crucial times for staff, pupils and parents.

To allow smooth transitions we ensure that information from one class teacher to the next is shared and all assessment data travels through the school with your child. Time is given to pass information related to pupils learning and any relevant documentation is explained, this would include group plans and levels the pupils are working at.

## **Early Learning & Childcare (Nursery) Provision**

The school's Early Learning & Childcare Campus provides places for children aged 6 weeks to 5 years. This includes term time nursery class provision and 52 week extended day provision.

Campus provision is non-denominational, which allows children of parents from all religions and beliefs to attend the nursery. Attendance at the campus does not however guarantee a place in the school.

## **Admission to Early Learning & Childcare (ELC) Establishments in Falkirk**

All ELC places are allocated according to the Early Learning and Childcare Admission Policy. A funded pre-school education place is available for every child aged 3 to 5 years who lives in Falkirk. A place can be provided in either a Falkirk Council ELC Centre or in a private nursery which is in partnership with Falkirk Council.

From August 2018, children become eligible for pre-school education as follows:

- For children who reach 3 years of age between 1<sup>st</sup> March and 31<sup>st</sup> July the start date will be the beginning of the Autumn Term (August)
- For children reaching 3 years of age between 1<sup>st</sup> August and 29<sup>th</sup> February of the following year the start date will be a month after the child's 3<sup>rd</sup> birthday.

Application forms are available from all primary schools and ELC Centres and can also be downloaded from the Falkirk Council web-site at [www.falkirk.gov.uk](http://www.falkirk.gov.uk).

Only one application form should be completed. The application form asks for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> choice of ELC Centre, the form should be returned to any school, ELC Centre, One Stop Shop or can be sent directly to ELC Admissions Team, Sealock House, 2 Inchyra Road, Grangemouth, FK3 9XB.

You will also be asked to provide the child's birth certificate and proof of address.

Applications are then allocated according to the criteria detailed in the [Admissions Policy](#).

## **Transition from Nursery to Primary**

Before leaving nursery, a transfer of information record for each child will be prepared by nursery staff to ensure a smooth transition and continuity of education for the child transferring to primary. All nurseries and primary schools have a variety of systems which support the transition process for

children. This ensures that children's strengths and development needs are addressed.

## **Primary School Admissions**

Children's Services must set a date each year for the commencement of children's attendance at Primary school. This date is usually the 3<sup>rd</sup> or 4<sup>th</sup> week in August.

When commencing Primary 1 education, your child will normally attend the local denominational or non-denominational Primary school and transfer from it, after Primary 7, to its associated Secondary school. Details of the catchment areas and boundaries can be obtained from the Forward Planning Section – Tel. 01324 506619/506608 in the Children's Services, on the website - [www.falkirk.gov.uk](http://www.falkirk.gov.uk) or the relevant school.

Pupils who are baptised Roman Catholic and who live within the catchment area of a denominational school are automatically entitled to enrol at the school. All other pupils will require a placing request (see below).

Any movement between denominational and non-denominational schools at year stages other than Primary 1 will require a Placing Request Form to be completed.

Enrolment dates will be set by each school and the enrolment should be completed in January prior to the start of term in August. Adverts will be placed in the local press and nurseries advertising the date(s) for enrolment. Enrolment Forms should be completed on enrolment day at your catchment school. Parents are asked to bring the relevant birth certificate(s) proof of residency when enrolling their child(ren).

Parents of pupils enrolling at a denominational school must also present their child's RC baptismal certificate. Parents of pupils that are not RC baptised will be required to submit a placing request (see below).

You are still required to enrol your child(ren) at your catchment denominational school (if RC baptised) or catchment non-denominational school (if not RC baptised) even if you do not wish him/her to attend that school.

Enrolment timetables will also be available through the Falkirk Council website at [www.falkirk.gov.uk](http://www.falkirk.gov.uk).

Children eligible for enrolment are those whose 5<sup>th</sup> birthday falls between 1<sup>st</sup> March and the end of February the following year. Requests for enrolment will only be prioritised if Children' Services receive more requests for enrolment than places available at the school.

## **Primary to Secondary Transfer**

Children are taken to visit their secondary school in preparation for the move from Primary 7 to First Year.

Each cluster of schools (i.e. the secondary school and its associated primary schools) makes its own transition arrangements.

Generally, visits take place in the summer term, with a programme of activities for pupils in classroom relating to their secondary subjects. Sporting and social activities may also be planned. Pupils, therefore, become familiar with the new school, their new teachers and their new classmates.

Clusters also arrange for secondary school subject teachers to visit Primary 7 classes from time to time, with the cluster agreeing each year which subject areas should be the focus for these. Secondary teachers of PE and Music regularly visit primary schools to support the teaching of these subjects.

Most secondary schools also have an information evening for parents of Primary 7 children at which they can gain information about uniform, lunchtime arrangements, school clubs, etc.

#### Pupils with Additional Support Needs

Secondary school Pastoral and Support for Learning teachers make visits to the Primary 7 class to get to know the children and their needs, including any Additional Support for Learning Needs. Visits by Support for Learning staff sometimes take place as early as Primary 6 to help with additional arrangements for those children for whom the move to secondary school may present particular challenges.

#### Summer holiday arrangements

Sporting activity programmes are also arranged for the summer holidays for children who would particularly benefit from the additional opportunity to socialise with other young people.

#### Moving to the denominational secondary school

##### *Children who are baptized Catholic*

With the exception of some pupils at St Patrick's PS pupils who are in Primary 7 in denominational primary schools (Sacred Heart PS, St Andrew's PS, St Mary's PS, St Francis Xavier's PS and St Joseph's PS) move to St Mungo's HS.

Pupils in Primary 7 at St Patrick's PS and who live in Banknock or Dennyloanhead are generally expected to attend St Mungo's HS while those living in Denny are expected to attend St Modan's HS in Stirling. Parents who are uncertain as to which of the two secondary schools their child will attend should contact St Patrick's PS. Alternatively, they can consult Falkirk

Council's website at <http://www.falkirk.gov.uk/maps-local/schools-education/primary-school-catchments.aspx> where they can insert their home postcode to identify the catchment school.

#### *Children who are non-Catholic*

Parents of non-RC baptised pupils who were enrolled through a Placing Request at a denominational primary school must submit a further Placing Request if they wish them to transfer to St Mungo's High School. These pupils are, otherwise, automatically entitled to transfer to their catchment non-denomination secondary school.

#### *Moving between denominational and non-denominational schools*

Parents who intend to send their children to St Mungo's HS from a non-denominational primary school or from a Catholic primary school to their catchment non-denominational high school should make known their intentions both to the primary school and the secondary school as soon as possible. This enables the necessary transfer arrangements to be made.

## **Catchment Secondary School**

Our Catchment Secondary School is:

Denny High School  
Herbertshire Park  
Denny  
FK6 6EE

Telephone: 01324 827440

By Email: [dennyhighschool@falkirk.gov.uk](mailto:dennyhighschool@falkirk.gov.uk)

At Bonnybridge Primary Schools we have close links with Denny High School and this helps create a seamless transition for our P7 pupils into S1. From the beginning of P7 the pupils have the opportunity to work with a member of Denny High's Support for Learning team. The staff member spends time each week with our P7 pupils and their teachers and this leads to the formation of good relationship that will support the pupils as they move from one school to the other.

During the school year there are a number of visits arranged between the High School and Primary School that include visits by former pupils to discuss their experiences, visits from secondary teachers to the primary school to deliver subjects e.g. French and a joint project between the P7 and S1 pupils during the summer term.

During the P7 year there are opportunities for the pupils to meet and work with their peers from other schools in the cluster, this is achieved through joint

days out and visits to Denny High.

For pupils who require an enhanced transition we offer parents joint meetings with the staff from the High School and ourselves to share information and in many cases arrange additional visits to dispel concerns.

## **Placing Requests**

As a parent, you have the right to make a Placing Request for your child(ren) to be educated in a school other than the local school. Applications for Primary 1 and Secondary 1 Placing Requests to commence school in August will only be accepted from the first Thursday in December.

Every effort will be made to try to meet parental wishes, but you should note that it is not always possible to grant every Placing Request. You should also note that a successful Placing Request for one child does not guarantee a successful one for another child. A parent could, therefore, end up with children attending different schools.

Primary 1 children must also be enrolled at the catchment area school on the appropriate Enrolment Form whilst awaiting the outcome of their Placing Request Application. If the Placing Request is granted, the child's enrolment at the catchment school will automatically be withdrawn by Children's Services.

Placing Requests can only be approved when there are sufficient places remaining in the class after all catchment area children have enrolled and if staffing and accommodation at the school are able to meet the numbers of Placing Requests at that school. Children's Services will also reserve places in a class for catchment pupils they expect to move into the area during the school year.

If more Placing Requests are made for admission to a particular school than places available, these Requests will be prioritised according to Falkirk Council's Admissions Policy and requests accepted and refused accordingly.

If you wish to make a Placing Request, you should complete the appropriate application form (one for each child involved) and return it to Forward Planning Section, Children's Services, Sealock House, 2 Inchrya Road, Grangemouth, FK3 9XB. This Form must be completed by the child's Parent/carer. Placing Requests for Primary 1 and Secondary 1, commencing in the next school session should be made by the 15<sup>th</sup> of March each year for consideration. Responses will be issued no later than 30<sup>th</sup> April.

Your Placing Request will be considered against a set of criteria which is set out in the Council's priorities for admission.

Any Placing Requests received after the 15<sup>th</sup> March for Primary 1 and Secondary 1 will not be considered in the first round of Placing Requests.

Parents / Carers will be notified of the outcome of their request within 8 weeks of receipt.

As soon as a decision has been made, you will be notified of the result. If your Placing Request is successful, you will be asked to contact the school to establish arrangements for enrolment.

Placing Request Forms are available from the Forward Planning Section, Children's Services at Sealock House, all schools, Libraries, One-Stop Shops and on the Falkirk Council website.

### **Mid Session Transfers**

You may make a Placing Request at any time during a school session. If your child is experiencing problems at school, you are advised to discuss the matter with the Head Teacher prior to making a Placing Request. Completing the Application Form does not guarantee a place for your child at your chosen school. Your Placing Request will only be granted if there are surplus places available at the school.

### **Transport for Placing Requests**

If a Placing Request is successful, parents will be responsible for the safety and transportation costs of their child to and from their chosen school.

## **Section five – School Improvement**

### **Raising Attainment**

Monitoring performance and using the resulting information to secure improvement is an important part of the work of head teachers, school staff and officers within Children's Services. Head Teachers regularly track pupils' progress at meetings with each teacher to ensure that progress is maintained and to identify effective strategies progress when necessary.

### **Standards and Quality Report**

Every year each school publishes a Standards and Quality report which highlights the school's major achievements.

**Our latest report can be found on the school website.**

[www.bonnybridge.falkirk.sch.uk](http://www.bonnybridge.falkirk.sch.uk)

### **School Improvement Plan**

Our school improvement plan can be found on the school website.

[www.bonnybridge.falkirk.sch.uk](http://www.bonnybridge.falkirk.sch.uk)

## **Transferring Educational Data About Pupils**

The Scottish Government and its partners collect and use information about pupils in schools (e.g. the number and characteristics of pupils, their attendance, absence and exclusions, their attainment and their destination when leaving school) to help to improve education across Scotland. This note explains why we need this information, how we use it and what we do to protect the information supplied to us.

### **Why do we need your data?**

In order to make the best decisions about how to improve our education service, Scottish Government, education authorities and other partners such as the SQA and Skills Development Scotland need accurate, up-to-date data about our pupils. We are keen to help all our pupils do well in all aspects of school life and achieve better examination results. Accurate and up-to-date data allows us to:

- plan and deliver better policies for the benefit of all pupils
- plan and deliver better policies for the benefit of specific groups of pupils
- better understand some of the factors which influence pupil attainment and achievement
- share good practice
- target resources better
- enhance the quality of research to improve the lives of young people in Scotland

### **Data policy**

Information about pupils' education is collected through our statistical surveys in partnership between the Scottish Government and Local Authorities through the ScotXed Programme which aims to help schools and Local Authorities by supporting efficient collection, processing and dissemination of statistical information. The Scottish Government then provides analysis of the data to support research, planning, management and monitoring of education services as well as to produce National Statistics publications.

Education data within Scottish Government is managed effectively by secure systems and is exploited as a valuable corporate resource, subject to confidentiality restraints. As part of its data policy, Scottish Government will not publish or make publicly available any information that allows individual pupils to be identified, nor will data be used by Scottish Government to take any actions in respect of individuals. Data is held securely and no information on individual pupils can or would be made publicly available by Scottish Government.

**The individual data about pupils in schools collected by Scottish Government through statistical surveys is used only for the statistical and research purposes for which it is collected.**

### **Your data protection rights**

The collection, transfer, processing and sharing of ScotXed data is done in accordance with the Data Protection Act (1998). We also comply with the National Statistics Code of Practice requirements and other legislation related to safeguarding the confidentiality of data. The Data Protection Act gives you the right to know how we will use your data. This note can give only a brief description of how we use data. Fuller details of each individual ScotXed survey, including the purpose of each and the published data, can be found on the ScotXed website (<http://www.gov.scot/Topics/Statistics/ScotXed>). Pupil names and addresses (other than postcode) are never collected in any ScotXed statistical survey.

Scottish Government works with a range of partners including Education Scotland, Skills Development Scotland and the SQA. On occasion, in order to help meet our aim of improving the life of young people in Scotland, we may make individual data available to partners such as the National Registers of Scotland to carry out research relating to the national population census and also to academic institutions and organisations to carry out additional research and statistical analysis which helps inform policy development and contributes to improving outcomes for Scotland's people. In order to carry out this research to support better decisions, policy making and practice, data may be linked to information from other sources.

Any sharing or linkage of data will be done under the strict control of Scottish Government, and will be consistent with our data policy and the National Data Linkage Guiding Principles. This will ensure that no individual level data will be made public as a result of the data sharing and that these data will not be used to take any actions in respect of an individual. Decisions on the sharing or linkage of data will be taken in consultation with relevant colleagues and individuals within and outwith Scottish Government. At all times pupils' rights under the Data Protection Act and other relevant legislation will be ensured.

### **Concerns**

If you have any concerns about the ScotXed data collections you can email the Head of Schools Analysis, Mick Wilson, at [mick.wilson@scotland.gsi.gov.uk](mailto:mick.wilson@scotland.gsi.gov.uk) or write to Education Analytical Services, Area 2D, Victoria Quay, Leith, EH6 6QQ.

## Websites

You may find the following websites useful.

- <https://education.gov.scot/parentzone/> - parents can find out about everything from school term dates to exam results. This site also offers information for pre-5 and post school. It also lists relevant publications for parents and provides hyper-links to other useful organisations.
- <https://education.gov.scot/inspection-reports> - parents can access school and local authority inspection reports and find out more about the work of Education Scotland.
- [www.falkirk.gov.uk](http://www.falkirk.gov.uk)- contains information for parents and information on Falkirk schools.
- <http://www.childline.org.uk/Explore/Bullying/Pages/Bullyinginfo.aspx> - contains information for parents and children on varying forms of bullying and provides help for parents and children who are affected by bullying.
- <http://www.respectme.org.uk/> - Scotland's anti-bullying service. Contains information for parents and children on varying forms of bullying and provides help for parents and children who are affected by bullying
- <https://education.gov.scot/> - provides information and advice for parents as well as support and resources for education in Scotland
- <https://www.equalityhumanrights.com/en/commission-scotland> - contains information for everyone on equality laws within the government and local authorities.

## **Glossary**

ASL – Additional Support for Learning

ASN – Additional Support Needs

CFE - Curriculum for Excellence

CLD – Community Learning and Development

DHT - Depute Headteacher

EMA – Education Maintenance Allowance

FFB - For Falkirk's Bairns - Integrated Children's Service Plan

FOI – Freedom of Information

FVNHS - Forth Valley National Health Service

GIRFEC – Getting it Right for Every Child

Glow - Scottish Schools National Intranet (Glow doesn't stand for anything)

HT - Headteacher

LIPs - Local Improvement Priorities

LTA - Learning to Achieve

MFiF - My Future's in Falkirk

NPFS - National Parent Forum of Scotland

PC - Parent Council

PLPs - Personal Learning Plans (personal learning planning)

PT - Principal Teacher

PTA/PA - Parent/Teacher Association/Parents Association

SEEMiS - Management Information Systems (SEEMiS is the pupil database)

SIP - School Improvement Plan

SPTC - Scottish Parent Teacher Council

SQA – Scottish Qualifications Authority
