

ALLOCATIONS CONSULTATION PANEL

We would like to set up an Allocations Consultation Panel so that the views of service users and other stakeholders can be gathered regularly. We hope that the Consultation Panel will include representatives from a range of stakeholders with an interest in Housing Allocations.

From time to time, Members of the Panel will be invited to take part in Workshops and Focus Groups to gather views on how effectively HomeSpot is working and to consider possible changes to policy.

If you are interested in being part of the Consultation Panel please fill in this form and return it to your local One Stop Shop or Neighbourhood Office.

I would like to take part in the Allocations Consultation Panel.
