

Welcome to Issue 90 of the HOMESPOT Newsletter.

Issue 90 8 February 2012
Property List Number 08022012

If you are interested in any of the properties in this Newsletter you can make a “bid” for the property from 12 noon on Wednesday 8 February 2012 until 12 noon on Wednesday 15 February 2012.

It does not matter whether you make your bid on the first day or the last day of the advertising cycle. Once bidding has closed, everyone who has made a bid for a property will be considered. The successful bid will be selected in accordance with the Council's Allocations Policy.

You can ask a member of staff at one of our Neighbourhood Offices/One Stop Shops or the Accommodation Resource Centre (ARC) to register a bid for you or you can fill in the “coupon” in this Newsletter and return it to one of our Neighbourhood Offices/One Stop Shops or the Accommodation Resource Centre (ARC).

You can also bid online at www.falkirk.gov.uk. To do this you will need your housing application reference number and Personal Identification Number (PIN). If you are an existing applicant, you should already have received this. If you have not received this or you have not registered for housing please contact one of our Neighbourhood Offices/One Stop Shops or the Accommodation Resource Centre (ARC).

You can also bid by using the Freephone telephone service (0800 678 3091). To do this you will need your application number, property list number and sequence number of the property.

If you intend to bid for more than one property you should enter your bids in order of preference starting with your preferred property. This is very important because if you bid successfully for more than one property we will assume that the property you bid for first is your first choice, and so on, in the order you chose to bid. If your first bid is successful, we will not consider any later bids you have made, so the order in which you bid is very important.

Please note:

That the properties in this Newsletter are currently having repairs carried out and may not be ready for occupation until some time after 15 February 2012. Falkirk Council also reserves the right to withdraw any of the properties advertised to discharge statutory duties or deal with emergency situations if necessary.

Falkirk Council has made every effort to ensure the accuracy of the information provided in this Newsletter, however this is not guaranteed.

ALLOCATIONS CONSULTATION PANEL

We would like to set up an Allocations Consultation Panel so that the views of service users and other stakeholders can be gathered regularly. We hope that the Consultation Panel will include representatives from a range of stakeholders with an interest in Housing Allocations.

From time to time, Members of the Panel will be invited to take part in Workshops and Focus Groups to gather views on how effectively HomeSpot is working and to consider possible changes to policy.

If you are interested in being part of the Consultation Panel please fill in this form and return it to your local One Stop Shop or Neighbourhood Office.

I would like to take part in the Allocations Consultation Panel.

Allocation Outcomes for Properties Let During January 2012

The information on Recent Lets tells you about properties that have been let through Homespot Choice Based Lettings on a monthly basis.

For each property let, you can see the number of bids that were received and the Band and Band Date of the successful bidder.

You can use this information to give you an idea of how popular a particular type of property or area is and how long you may have to wait for your bid to be successful. This will help you decide if you wish to consider other types of properties or areas where you may not have to wait as long.

Bidding Coupon

Name _____

Address _____

Telephone Number _____

Application Reference Number _____

Please list the reference number and address of the property or properties you wish to be considered for.

If you intend to bid for more than one property you should enter your bids in order of preference starting with your preferred property. This is very important because if you bid successfully for more than one property we will assume that the property you bid for first is your first choice, and so on, in the order you chose to bid. If your first bid is successful, we will not consider any later bids you have made, so the order in which you bid is very important.
