

ff Funding at Falkirk

Falkirk Council

****FUNDING ALERT – JUNE 09****

CASHBACK FOR COMMUNITIES – ROUND 3 FUNDING SURGERY DATES

The 3rd round of Cashback for Communities has been launched. £1 million pounds will be available to support youth projects and the Scottish Government has commissioned YouthLink Scotland to deliver 18 funding surgeries across Scotland. Groups who have not applied before are strongly encouraged to attend a surgery. Participants can attend any surgery, but it is essential to book a place by emailing Hazel Selby at hselby@youthlink.co.uk.

Priority will be given to projects or activities which address inequalities, especially those that will take place in areas of multiple deprivation to fill gaps in provision for young people in those areas. Other areas may be funded if they are seen as suffering from particular problems or lack of resources. The grants will fund organisations which support young people who are currently involved or at risk of becoming involved in violence, alcohol, drugs and or anti-social behaviour. The emphasis is on youth work interventions constructed with and for young people in the 10 –19 age group, therefore, requests for large capital items of equipment only will not be supported.

A limit of £10k has been set for applications however, local assessment panels will be free to make larger awards to flagship projects in their area. Applications should be submitted before **31 October 2009**.

Summer School Holiday Projects

Please note however that organisations who are seeking funding for summer school holiday projects **must apply immediately** to allow time for assessment so that their award can be processed for a July start.

More information, application forms and guidance can be found at www.youthlinkscotland.org
