<b>Main benefits of the open space</b>
Amenity space with grass and roadside trees. Provides a barrier between busy main road & housing.
<b>Main detractors of the open space</b>
No facilities. Enclosed between roads. Limited use - mainly an amenity space.
<b>Main design opportunities</b>
Additional planting to improve aesthetic quality. Potential to increase use through new facilities or enclosing space from the road.
<b>Main design constraints</b>
Surrounded by roads (1 busy main road). On outskirts of housing estate rather than in the centre.
<b>Recommendations / Observations / Strategy</b>
Maintain and enhance as amenity space for adjacent housing and as buffer from main road. Encourage community use through improved facilities and improve aesthetic appeal with additional planting/ornamental planting/hedging.
