|   |
|---|
| <b>Main benefits of the open space</b>  |
| Amenity/recreation space adjacent to school. The space has views to green spaces and mature hedging border giving it a secluded feel. |
| <b>Main detractors of the open space</b>  |
| Secure access required by secluded, unobservable position. It is a sloped site with no facilities.                                    |
| <b>Main design opportunities</b>  |
| Secluded setting with no existing structure offers many possible solutions.   |
| <b>Main design constraints</b>  |
| There is very little passive surveillance of the space and no lighting.   |
| <b>Recommendations / Observations / Strategy</b>  |
| Enhance as amenity/recreation/educational facility for the adjacent school.   |
