| |
|--|
| Main benefits of the open space |
| Good biodiversity. Tranquility. Large variety of landscape type eg marsh, meadow grass, scrub, mown grass area with benches |
| Main detractors of the open space |
| Invasive non-native vegetation. Poor materials used in some areas. Signage has been vandalised |
| Main design opportunities |
| Could be an educational resource for the school next to it. Improve signage. Create more paths. Need a more child friendly pond dipping platform. Horsetail clearance from pond. |
| Main design constraints |
| Large size of site. |
| Recommendations / Observations / Strategy |
| Conserve and enhance as a wildlife site with easy access and maintenance of specific areas e.g pond area and less maintenance/access to more remote areas for wildlife. |
