

# Representations Regarding Core Path Plan

<b>Respondent</b>	<b>0013</b>	<b>Callendar Estate</b>		
<b>Representation Type</b>	Formal Objection	<b>Community Council Area</b>	Falkirk Central	<b>Path Ref.</b> 002/736
<b>Summary</b>	Section of path off Glen Brae runs through curtilage of South Lodge and is not available for public access.			
<b>Recommended Response</b>	Privacy issues on section of path therefore access rights do not apply.			
	Amend Core Paths Plan: remove short section of route 736 that goes through South Lodge.			
<b>Respondent</b>	<b>0049</b>	<b>Network Rail</b>		
<b>Representation Type</b>	Formal Objection	<b>Community Council Area</b>	Falkirk Central	<b>Path Ref.</b> 002/741
<b>Summary</b>	Path shown crossing railway line where there is no underpass or bridge to allow safe access.			
<b>Recommended Response</b>	Amend Core Paths Plan: remove link, crossing does not exist.			
<b>Respondent</b>	<b>0013</b>	<b>Callendar Estate</b>		
<b>Representation Type</b>	Formal Objection	<b>Community Council Area</b>	Hallglen, Glen Village and Lochgreen	<b>Path Ref.</b> 003/1135
<b>Summary</b>	Alignment of upgraded path should be shown on Core Paths Plan. If the correct alignment is shown Callendar Estate will withdraw its objection.			
<b>Recommended Response</b>	Comments noted.			
	Amend Core Paths Plan to show correct path alignment of upgraded route.			
<b>Respondent</b>	<b>0049</b>	<b>Network Rail</b>		
<b>Representation Type</b>	Formal Objection	<b>Community Council Area</b>	Grahamston, Middlefield & Westfield	<b>Path Ref.</b> 005/1271
<b>Summary</b>	Adjacent site has the potential for freight use and the former railway line should therefore be safeguarded for freight use.			
<b>Recommended Response</b>	Amend Core Paths Plan: remove routes 005/1271, 005/1280 and 005/1282 from Core Paths Plan.			
<b>Respondent</b>	<b>0014</b>	<b>Mrs M McEwan</b>		
<b>Representation Type</b>	Formal Objection	<b>Community Council Area</b>	Blackness Area	<b>Path Ref.</b> 007/1461
<b>Summary</b>	Safety concerns regarding inclusion of B903 (007/1457) as core path. Section from Blackness Primary School to Blackness should be added as a core path.			
<b>Recommended Response</b>	Comments noted. However, 007/1457 follows National Cycle Network route 76 and should remain a core path to reflect its importance for cyclists.			
	Amend Core Paths Plan: add route from Blackness Primary School to Blackness.			
<b>Respondent</b>	<b>0044</b>	<b>Mr and Mrs P E Ward</b>		
<b>Representation Type</b>	Formal Objection	<b>Community Council Area</b>	Carron & Carronshore	<b>Path Ref.</b> 009/1688
<b>Summary</b>	Suggest alternative route following pavements around farm rather than proposed core path along farm access road. Concerns regarding anti-social behaviour, irresponsible access and bio-security.			
<b>Recommended Response</b>	Comments noted. However, the proposed route meets all Falkirk Council's criteria for a core path. The proposed alternative is alongside a busy road.			
	No change to Core Paths Plan.			

**Respondent** 0043 Robert Johnston  
**Representation Type** Formal Objection **Community Council Area** Carron & Carronshore **Path Ref.** 009/1688  
**Summary** Suggest alternative route following pavements around farm rather than proposed core path along farm access road. Concerns regarding anti-social behaviour, irresponsible access and bio-security.  
**Recommended Response** Comments noted. However, the proposed route meets all Falkirk Council's criteria for a core path. The proposed alternative is alongside a busy road.  
No change to the Core Paths Plan

**Respondent** 0013 Callendar Estate  
**Representation Type** Formal Objection **Community Council Area** Larbert, Stenhousemuir & Torwood **Path Ref.** 011/185  
**Summary** This path has washed out 3 times in the last 15 years. A new path was installed at the top of the embankment to provide alternative safe and secure access to the weir.  
**Recommended Response** A safer alternative exists which has been identified as proposed core path (011/180).  
Amend Core Paths Plan: reclassify route 011/185 as 'other' path.

**Respondent** 0001 Henry Harris  
**Representation Type** Formal Objection **Community Council Area** Denny & District **Path Ref.** 012/350  
**Summary** Private bridle paths that conflict with 4 of the 5 Core Paths criteria (1,2,3 and 5). At best these are low grade grassed, muddy field margins, uneven and unmanaged.  
**Recommended Response** A change in land management operations has resulted in these paths now meeting only 2 of the Core Paths criteria (3 and 4).  
Amend Core Paths Plan: Recommend reclassification of 012/350 and 012/293 as 'other' paths. Addition of Core Path (REF:

**Respondent** 0039 William Finn  
**Representation Type** Formal Objection **Community Council Area** Bonnybridge **Path Ref.** 013/  
**Summary** Pavement required along Reilly Road.  
**Recommended Response** This issue relates to adopted footways rather than Core Paths Planning.  
No change to Core Paths Plan.

**Respondent** 0039 William Finn  
**Representation Type** Formal Objection **Community Council Area** Bonnybridge **Path Ref.** 013/404  
**Summary** Path upgrade and fencing required along this route.  
**Recommended Response** Comments noted. Fencing has been erected.  
No change to the Core Paths Plan.

**Respondent** 0049 Network Rail  
**Representation Type** Formal Objection **Community Council Area** Bonnybridge **Path Ref.** 013/418  
**Summary** No further objections to use of bridges over railways.  
**Recommended Response** Comments noted. No change to Core Paths Plan

**Respondent** 0039 William Finn  
**Representation Type** Formal Objection Community Council Area Bonnybridge Path Ref. 013/459  
**Summary** Residents in the adjacent housing would benefit with path/pavement from Greenhill Road to the pond at Seabegs.  
**Recommended Response** Comments noted. However, insufficient space between carriageway and Scheduled Ancient Monument (Antonine Wall) along this section of Seabegs Road would make any works here unlikely.  
No change to Core Paths Plan.

**Respondent** 0005 Barrat West/David Wilson Homes Scotland  
**Representation Type** Formal Objection Community Council Area Lower Braes Path Ref. 015/512  
**Summary** As developer, object to obligation to provide path links to development site at Raewell Brick site, Polmont.  
**Recommended Response** The requirements of the planning application process remain in place regardless of the Core Paths Planning process.  
No change to the Core Paths Plan.

**Respondent** 0008 Mr and Mrs Irving  
**Representation Type** Formal Objection Community Council Area Polmont Path Ref. 016/566  
**Summary** Addition of route 016/566 over viaduct to link with Millfield Drive. This is a well used route.  
**Recommended Response** Comments noted. Responsible access rights apply but there is local opposition to promotion of this path. Therefore, this route should not be a promoted core path and will remain classified as 'other' path.  
No change to Core Paths Plan

**Respondent** 0008 Mr and Mrs Irving  
**Representation Type** Formal Objection Community Council Area Polmont Path Ref. 016/600  
**Summary** Addition of short link from Station Road (opposite Bowling Club at the end of 016/600) onto Erskine Hill.  
**Recommended Response** Amend Core Paths Plan - add route

**Respondent** 0008 Mr and Mrs Irving  
**Representation Type** Formal Objection Community Council Area Polmont Path Ref. 016/653  
**Summary** Addition of well used route to connect core paths 016/541 and 016/602.  
**Recommended Response** Amend Core Paths Plan - add route

**Respondent** 0008 Mr and Mrs Irving  
**Representation Type** Formal Objection Community Council Area Brightons Path Ref. 017/658  
**Summary** Connect core paths 016/541 with 017/654 along well used and sign posted path through field. This is an important link between Polmont and Brightons and the canal.  
**Recommended Response** Amend Core Paths Plan - add route

**Respondent** 0011 Wendy and Garry Barr  
**Representation Type** Formal Objection Community Council Area Shieldhill & California Path Ref. 018/686  
**Summary** Remove all access roads from Core Paths Plan that belong to Quarryhead Farm due to issues with anti-social behaviour.  
**Recommended Response** Comments noted. However, these issues relate to anti-social behaviour not core paths planning. The routes are well-used and important to the local community. The paths form an important link between Shieldhill and California.  
No change to the Core Paths Plan.

**Respondent** 0024 Mr and Mrs A Graham  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Object to core path plan in support of landowners of these routes whose rights are being infringed.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0030 Michael and Lorraine Craig  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Object to core paths plan in support of the landowners of these paths whose rights are being infringed.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0020 K Coghill  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Object to core path plan in support of Weslmount residents whose rights are being infringed. I do, however, support the alternative route being discussed by the residents and the Council at the moment  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0025 Mr and Mrs A McEwan  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Concerns regarding illegal motorbike/quad use, irresponsible access and anti-social behaviour problems.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0026 Mr and Mrs W Leach  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Concerns regarding safety of the public taking access along a vehicular track, illegal motorbike/quad use, irresponsible access and anti-social behaviour problems.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0027 R Anderson  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Concerns regarding safety of the public taking access along a vehicular track, illegal motorbike/quad use, irresponsible access and anti-social behaviour problems.  
  
Objection withdrawn: Respondent did not send letter.  
**Recommended Response**

**Respondent** 0029 Mr and Mrs K Mullan  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Object to core paths plan in support of landowners of these path whose rights are being infringed.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0031 R Waddell  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Object to core paths plan in support of landowners of these paths whose rights are being infringed.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0034 G A McHugh  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Object to core paths plan in support of landowners of these paths whose rights are being infringed.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0035 Mr and Mrs G Ferguson  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Safety concerns for public using vehicular track and issues with illegal motorbike/quad use, anti-social behaviour and irresponsible access.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0036 Mr and Mrs P Cummings  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Safety concerns for public using vehicular track and issues with illegal motorbike/quad use, anti-social behaviour and irresponsible access.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0037 A Ferguson  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Safety concerns for public using vehicular track and issues with illegal motorbike/quad use, anti-social behaviour and irresponsible access.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0038 Mr and Mrs C Johnston  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Object to core path plan in support of landowners of thees paths whose rights are being infringed.  
**Recommended Response** Amend Core Paths Plan: amend alignment of 0018/702 to follow route of recently created path. This will be the promoted path. The original route will be reclassified as 'other' path and access rights will still apply on this route.

**Respondent** 0028 Mr and Mrs K Gregors  
**Representation Type** Formal Objection **Community Council Area** Shieldhill & California **Path Ref.** 018/702  
**Summary** Concerns regarding safety of the public taking access along a vehicular track, illegal motorbike/quad use, irresponsible access and anti-social behaviour problems.  
Objection withdrawn: Respdent did not send letter.  
**Recommended Response**

**Respondent** 0046 **Bucleuch FBR**  
**Representation Type** Formal Objection **Community Council Area** Whitecross **Path Ref.** 021/872  
**Summary** Concerns that promoting the existing Right of Way as a Core Path will encourage people to take access along the track to Myrehead Farm.  
**Recommended Response** The track to Myrehead Farm is not being promoted as a Core Path. No change to Core Paths Plan.

**Respondent** 0042 **John Kelly**  
**Representation Type** Formal Objection **Community Council Area** Slamannan & Limerigg **Path Ref.** 023/1033  
**Summary** Biosecurity, security and health and safety concerns relating to people taking access through farm.  
**Recommended Response** Comments noted. Concerns relate to security and health & safety issues rather than core paths planning. However, route follows poor quality right of way and does not link with wider network.  
  
Amend core paths plan: Reclassify as 'other' path. Add route following quiet road to north which links to North Lanarkshire Council's Core Paths Plan.

**Respondent** 0054 **Jim Robertson**  
**Representation Type** Formal Objection **Community Council Area** Slamannan & Limerigg **Path Ref.** 023/1045  
**Summary** Object to constraints by Special Protection Area (SPA) designation and land management issues. B and C roads already exist which connect these points, e.g. 023/1045 and 018/700.  
**Recommended Response** This appears to be an objection to SPA designation rather than the Core Paths Plan. No change to Core Paths Plan.
