

Falkirk Council

List of Public Roads
under
The Roads (Scotland) Act 1984

A 'Public Road' is one maintained by the relevant Roads Authority (RA). The Council is the RA for roads within its boundaries other than the motorways and trunk roads for which the RA is the Scottish Executive. [For information, a 'Private Road' is one maintained by persons or bodies other than the local RA. The designation does not necessarily imply that it is closed to the general public].

Apart from the omission of certain footpaths which are 'public roads' in their own right, this List is believed to be comprehensive but this is not guaranteed. Further, the implications of the quarterly updating regime appropriate to this information should be borne in mind.

Legitimate matters of detail may be referred, in writing, to Roads and Development Unit of Development Services at Abbotsford House, Davids Loan, Falkirk FK2 7YZ.

Copyright Issues

In respect of the List Of Public Roads, any further use of the information must comply with the terms of the Copyright, Designs and Patents Act 1988 and the Copyright and Rights in Databases Regulations 1997. In particular, any commercial use or re-use of the information provided requires the prior written consent of the Council. Requests for such consent should be addressed to the Director of Development Services, Abbotsford House, David's Loan, Bainsford, Falkirk. Some or all of the information may be subject to third party copyright, in which case the permission of the third party copyright holder may be required. No claim is made in respect of third party copyright.

Format of the List Of Public Roads

The list is provided in two parts and may be necessary to scan both parts to be sure of obtaining complete information.

The **first part** lists Roads/Streets by their official name or description.

The **second part** lists alternative unofficial names for certain roads.
