Bus Service Information

The bridge on the B816 between Allandale and Castlecary will be closed from Monday 28 February 2011 for approximately 8 weeks as part of the ongoing A80 upgrade works.

As a result of this road closure, First Service X37 (Falkirk ► Bonnybridge ► Greenhill ► Allandale ► Cumbernauld ► Glasgow) will not serve High Bonnybridge, Greenhill and Allandale and will operate from Bonnybridge Toll via Haggs to the A80. Please note that the 0529 Falkirk ► Allandale and the 0553 Allandale ► Falkirk First Service X37 journeys will operate normally during the bridge closure.

Antonine Coaches Service 37 (Greenhill ► Bonnybridge ► Falkirk) is not affected by the road closure and will operate normally during the bridge closure. Antonine Coaches Service 69 (Cumbernauld ► Bonnybridge ► Stirling) will only operate between Stirling and Greenhill during the closure.

Falkirk Council (in conjunction with the A80 contractors HMC) have organised a shuttle bus from Allandale, Greenhill and High Bonnybridge to connect with First Service X37 at Bonnybridge Toll (to connect with services to/from Falkirk and Glasgow) and First Service 24 at Dennyloanhead (to connect with services to/from Stirling).

The shuttle bus will be operated by Myles Mini Coaches (tel. 01786 817128) and will operate Monday to Sunday at the following times to Bonnybridge Toll/Dennyloanhead to connect with the diverted bus services. **The shuttle bus will meet your return journey to return you from Bonnybridge Toll to High Bonnybridge, Greenhill or Allandale.**
