

EX115. Scottish Government Budget/Local Government Settlement

The Executive considered a report by the Director of Corporate and Housing Services which provided an update on the Local Government Settlement and the Scottish Government Budget, noting that this was a provisional position pending agreement by the Scottish Parliament which could be after the issue of the Budget agenda for the Council meeting on 26 February or indeed after the meeting itself.

Decision

The Executive noted the report and in particular its implications for the Council's 2020/21 General Fund Revenue Budget and 2020/21-2024/5 Capital Programme.
