

BENCHMARKED PERFORMANCE – FORTH VALLEY DIVISION – APRIL TO DECEMBER 2013

Appendix 3

Crime Group	Target Crime Rate	Value 13/14 per 10k pop	Short Term Trend	Long Term Trend	Target Detection Rate	Detect Value 13/14 %	Short Term Trend	Long Term Trend
1-4 Overall								
Forth Valley Div.	Reduce ▼	273	▼	▼	Increase ▲	45.6	▼	▲
Clacks	Reduce ▼	270	▼	▼	Increase ▲	45.4	▼	▼
Falkirk	Reduce ▼	281	▲	▼	Increase ▲	46.9	▼	▲
Stirling	Reduce ▼	261	▼	▼	Increase ▲	43.1	▼	▲
Context								
1 Violence								
Forth Valley Div.	Reduce ▼	7.4	▼	▼	Increase ▲	94.1	▼	▼
Clacks	Reduce ▼	9.6	▼	▼	Increase ▲	93.8	▲	▲
Falkirk	Reduce ▼	7.2	▼	▼	Increase ▲	92.9	▲	▼
Stirling	Reduce ▼	11.8	▼	▼	Increase ▲	96.6	▼	▲
Context								

- Read along the rows for performance in Division and individual Area Commands
- Read down the columns to benchmark performance
- Target crime/detection rates show desired direction of travel.
- Trends show actual performance in 13/14 against figures for last year (short term) and for 5 yr average (long term). Their direction of travel can be compared against that of the target rates.
- Green or red infill shows significantly improved or reduced trend performance (plus or minus 5%).
- Amber infill shows that trend performance is within the 5% tolerance for limited variation

BENCHMARKED PERFORMANCE – FORTH VALLEY DIVISION – APRIL TO DECEMBER 2013

Crime Group	Target Crime Rate	Value 13/14 per 10k pop	Short Term Trend	Long Term Trend	Target Detection Rate	Detect Value 13/14 %	Short Term Trend	Long Term Trend
2 Indecency								
Forth Valley Div.	Reduce ▼	9.6	▲	=	Increase ▲	80.0	▲	▲
Clacks	Reduce ▼	10.0	▲	▼	Increase ▲	66.0	▼	▼
Falkirk	Reduce ▼	9.5	▲	▼	Increase ▲	89.2	▲	▲
Stirling	Reduce ▼	17.4	▲	▲	Increase ▲	72.4	▼	▼
Context								
3 Dishonesty								
Forth Valley Div.	Reduce ▼	172.6	▼	▼	Increase ▲	47.2	▼	▲
Clacks	Reduce ▼	145.8	▼	▼	Increase ▲	48.0	▼	▼
Falkirk	Reduce ▼	184.0	▲	▲	Increase ▲	48.0	▼	▲
Stirling	Reduce ▼	167.8	▼	▼	Increase ▲	45.3	▲	▲
Context								

- Read along the rows for performance in Division and individual Area Commands
- Read down the columns to benchmark performance
- Target crime/detection rates show desired direction of travel.
- Trends show actual performance in 13/14 against figures for last year (short term) and for 5 yr average (long term). Their direction of travel can be compared against that of the target rates.
- Green or red infill shows significantly improved or reduced trend performance (plus or minus 5%).
- Amber infill shows that trend performance is within the 5% tolerance for limited variation

BENCHMARKED PERFORMANCE – FORTH VALLEY DIVISION – APRIL TO DECEMBER 2013

Crime Group	Target Crime Rate	Value 13/14 by 10k pop	Short Term Trend	Long Term Trend	Target Detection Rate	Detect Value 13/14 %	Short Term Trend	Long Term Trend
4 Property Damage								
Forth Valley Div.	Reduce ▼	83.3	▼	▼	Increase ▲	33.9	▼	▼
Clacks	Reduce ▼	105.0	▼	▼	Increase ▲	35.4	▲	▲
Falkirk	Reduce ▼	80.2	▼	▼	Increase ▲	35.3	▼	▼
Stirling	Reduce ▼	76.8	▼	▼	Increase ▲	30.1	▼	▼
Context								
5 Drugs, knives etc								
Forth Valley Div.	Reduce ▼	76.6	▼	▼	Increase ▲	98.6	▲	▲
Clacks	Reduce ▼	80.0	▼	▼	Increase ▲	98.8	▲	▲
Falkirk	Reduce ▼	81.3	▲	▼	Increase ▲	97.9	▼	▼
Stirling	Reduce ▼	66.6	▼	▼	Increase ▲	100.0	▲	▲
Context								

- Read along the rows for performance in Division and individual Area Commands
- Read down the columns to benchmark performance
- Target crime/detection rates show desired direction of travel.
- Trends show actual performance in 13/14 against figures for last year (short term) and for 5 yr average (long term). Their direction of travel can be compared against that of the target rates.
- Green or red infill shows significantly improved or reduced trend performance (plus or minus 5%).
- Amber infill shows that trend performance is within the 5% tolerance for limited variation

BENCHMARKED PERFORMANCE – FORTH VALLEY DIVISION – APRIL TO DECEMBER 2013

Crime Group	Target Crime Rate	Value 13/14 per 10k pop	Short Term Trend	Long Term Trend	Target Detection Rate	Detect Value 13/14 %	Short Term Trend	Long Term Trend
6 General Offence								
Forth Valley Div.	Reduce ▼	231.5	▼	▼	Increase ▲	85.4	▼	▼
Clacks	Reduce ▼	214.0	▼	▼	Increase ▲	83.6	▼	▼
Falkirk	Reduce ▼	241.4	▼	▼	Increase ▲	85.8	▼	▼
Stirling	Reduce ▼	224.0	▼	▼	Increase ▲	85.7	▼	▼
Context								
7 Traffic Offence								
Forth Valley Div.	Increase ▲	519.7	▲	▲	Increase ▲	97.3	▲	▲
Clacks	Increase ▲	382.8	▲	▲	Increase ▲	96.1	▲	▼
Falkirk	Increase ▲	539.6	▲	▲	Increase ▲	97.4	▲	▲
Stirling	Increase ▲	561.3	▲	▲	Increase ▲	97.6	▲	▲
Context								

- Read along the rows for performance in Division and individual Area Commands
- Read down the columns to benchmark performance
- Target crime/detection rates show desired direction of travel.
- Trends show actual performance in 13/14 against figures for last year (short term) and for 5 yr average (long term). Their direction of travel can be compared against that of the target rates.
- Green or red infill shows significantly improved or reduced trend performance (plus or minus 5%).
- Amber infill shows that trend performance is within the 5% tolerance for limited variation

BENCHMARKED PERFORMANCE – FORTH VALLEY DIVISION – APRIL TO DECEMBER 2013

Road Casualties – Killed & Seriously Injured (KSI) and Slight Injury	Target KSI Rate	KSI Value 13/14	Short Term Trend	Long Term Trend	Target Slight Injury (SI) Rate	Slight Injury Value 13/14	Short Term Trend	Long Term Trend
Forth Valley Div.	Reduce ▼	103	▼	▼	Reduce ▼	470	▼	▼
Clacks	Reduce ▼	9	▼	▼	Reduce ▼	56	▼	▼
Falkirk	Reduce ▼	35	▼	▼	Reduce ▼	233	▲	▲
Stirling	Reduce ▼	59	▲	▲	Reduce ▼	181	▼	▼
Context								
Road Collisions – Numbers Injury; Nos Drink/Drugs	Target Injury Rate	Injury Collision Value	Short Term Trend	Long Term Trend	Target Drink/Drug Rate	D/Drug Value 13/14	Short Term Trend	Long Term Trend
Forth Valley Div.	Reduce ▼	437	▼	▼	Reduce ▼	12	▼	▼
Clacks	Reduce ▼	58	▼	▼	Reduce ▼	1	▼	▼
Falkirk	Reduce ▼	198	▼	▼	Reduce ▼	8	▼	▼
Stirling	Reduce ▼	181	▲	▲	Reduce ▼	3	▼	▼
Context								

- Read along the rows for performance in Division and individual Area Commands
- Read down the columns to benchmark performance
- Target crime/detection rates show desired direction of travel.
- Trends show actual performance in 13/14 against figures for last year (short term) and for 5 yr average (long term). Their direction of travel can be compared against that of the target rates.
- Green or red infill shows significantly improved or reduced trend performance (plus or minus 5%).
- Amber infill shows that trend performance is within the 5% tolerance for limited variation
