

EE15. ATTAINMENT AND ACHIEVEMENT IN SECONDARY SCHOOLS

The Education Executive considered a Report by the Director of Education which reported on Scottish Qualifications Authority (SQA) attainment within Falkirk Council secondary schools in 2013.

The Report highlighted the attainment of pupils at S4, S5 and S6 and provided comparison with figures for previous years as well as providing information on performance relating to comparator authorities. The Report also outlined the strategies which are being put in place to further improve performance.

Decision

The Education Executive agreed:-

- (1) to note the SQA attainment of Falkirk Council schools, and**
- (2) to note the strategies outlined in the Report to further improve performance.**
