

EX140. LOCAL TRANSPORT STRATEGY AND ROAD TRAFFIC REDUCTION PLAN

The Executive considered a report by the Director of Development Services presenting the Local Transport Strategy 2014 for approval.

Council had prepared its current Local Transport Strategy (LTS) in 2005 for the period 2008 – 2009. The LTS sets out the Council's transport policy and incorporates the Road Traffic Reduction Plan (RTRP).

A review of the LTS had been carried out to coincide with the development of the Council's Local Development Plan with initial consultations commencing in 2011. A public consultation had been undertaken in 2013, with traffic calming, bus services, potholes/state of the Council's roads and town centre parking emerging as the key issues. The revised Local Transport Strategy for 2014 was presented for approval.

Decision

The Executive approved the Local Transport Strategy 2014 including the Road Traffic Reduction Plan.
