

PE19. PENSION FUND - ANNUAL ACCOUNTS 2013/14

The Committee considered a report by the Chief Finance Officer on the Falkirk Pension Fund's Annual Accounts for 2013/2014 and (a) referring to Regulation 31A of the Local Government Pension Scheme (Administration) (Scotland) Regulations 2008, which requires administering authorities to publish a Pension Fund Annual Report, recognising that Pension Fund accounts were separate from other accounts of the administering authority, and (b) attaching as an appendix for inspection, a copy of the Fund's Audited Accounts for 2013/14.

Decision

The Committee agreed to approve the Falkirk Council Pension Fund Annual Report and Audited Annual Accounts for 2013/14.
