

AC30. ANNUAL ACCOUNTS 2014/15

The committee considered a report by the Director of Corporate and Housing Services presenting the Annual Accounts 2014/15 for approval.

The format of the Accounts now incorporated a management commentary. This set out the requirement to produce Annual Accounts and summarised the strategic context and environment within which the Council operates. The statement also highlighted performance in terms of public performance reporting and the Council's financial performance, and set out future plans.

Members of the committee commented favourably on the revised format of the Accounts.

Following questions from members, officers undertook to provide further information on the following:-

- background to the national review of blue badges;
- the number of properties contributing to the losses in regard to void properties;
- the makeup of the Regional Resilience Partnership;
- the makeup of the benchmarking family of Local Authorities used to monitor level of risk maturity; and
- the draw down of TIF Funding.

Decision

The committee approved the Audited Annual Accounts of the Council 2014/15.
