CONTAMINATED LAND

The Planning Applicant should confirm in writing that no made ground, suspect substances or odours have been encountered within the site.

In the event that any made ground, suspect substances or odours are encountered during any site works/operations, following the commencement of development, all work on the affected part of the site shall cease. The developer shall notify the Planning Authority immediately, carry out a contaminated land risk assessment in accordance with current guidance and legislation and undertake any necessary remediation works. Development shall not recommence without the prior written approval of the Planning Authority.
