

EX15. BUSINESS TRANSFORMATION – STRATEGIC PROPERTY REVIEW

The Executive considered a report by the Director of Development Services seeking authority to engage HubCo to undertake a strategic property review.

Council agreed, on 16 December 2015 (ref FC3), to a strategic assessment of the Trust's service delivery and property portfolio which would interface with the current review of the Council's own asset portfolio.

The report set out the proposed scope of the strategic review together with expected outputs for the 2 main phases of the project. The aim of this review is to analyse current stock, including that managed by Falkirk Community Trust, against collective service needs to inform the 2017/18 budget process.

Decision

The Executive agreed:-

- (1) the scope of the Strategic Property Review and Project Plan as detailed in the report; and**
- (2) to appoint HubCo to progress the review.**
