Subject: List of applications granted under delegated powers in March, April and May 2017 and notifications of public processions pending

Meeting: Civic Licensing Committee

Date: 20 June 2017

Author: Chief Governance Officer

1. Introduction

- 1.1 The purpose of this report is to provide to Members details of all applications made under the Civic Government (Scotland) Act 1982 which were granted by officers under delegated powers March to May 2017.

- 2.4 Appendix 3 details the parades notified to the licensing authority that are currently pending. This differs from the other applications received as the statutory requirement is for the Licensing Authority to be notified of a proposed parade or march rather than for an organisation to apply for a licence to hold a parade or march.

3. Applications determined by the Director of Corporate & Housing Services

- 3.1 During the period between the last Civic Licensing Committee and the establishment of the new Council, the Chief Governance Officer, on behalf of the Director of Corporate & Housing Services, using delegated powers afforded to him, granted licences that would normally have been considered by the Civic Licensing Committee.
- 3.2 Application for the variation of Taxi Operator Licence No 480 – The licenceholder replaced an accident damaged taxi with a purpose built Wheelchair Accessible Vehicle that was older than the current age policy permits. The extent to which it did not meet the policy was marginal.
- 3.3 Applications for 4 additional Private Hire Car operator licences – Two local taxi companies submitted 2 applications for private hire car operator licences. Any additional operator licences require to be considered by Committee under normal circumstances.
- 3.4 Application for a temporary Street trader licence – The application revealed that the applicant wished to trade for a temporary period over the summer at gala days and other community events selling novelty goods. He revealed a current minor road traffic conviction in his application. Any current conviction revealed in an application would normally result in the application being considered by Committee.
- 3.5 The Chief Governance Officer considered that the substitute WAV taxi should be allowed due to the purpose built nature of the vehicle. The additional operator licences were granted as there were no issues with the vehicles. The temporary street trader licence was granted as the Chief Governance Officer considered that the conviction was minor and did not relate to matters of honesty which would have had more relevance.

4 Recommendation
