Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to this proposal. It will completely obliterate any view we currently have and impact the value of my property.

Mr Barr has already built a second property in this location which is a completely inappropriate property type for the area which is lying empty because he cannot sell it.

If this goes ahead I'd be trying to sell my house and move which would be difficult as who will want to buy my house when the only view is onto these very close houses.
