Subject: RE: NOTICE OF REVIEW FALKIRK COUNCIL - P/16/0721/FUL

WARNING: The sender of this email is from an external organisation.
Please do not open any attached files or click links if it's not expected.

We contacted you recently advising that a request for review had been submitted in respect of an application on which SGN had made comment. We sent the email as normal to plantlocation@sgn.co.uk

Your response directs us to linesearch. We are not looking to establish the existence of plant. We are advising that an application which was refused is now subject to review, and seeking any comments you may have in addition to those made on 22 December 2016.

Please advise if you wish to comment further.

John
