

## **AC7. Council of the Future Update**

The Committee considered a report by the Director of Corporate and Housing Services providing an update on the Council of the Future project.

The Committee had requested, at its meeting on 21 August 2017 (ref AC8), updates at each meeting on the project plan progress.

Council had, on 20 September 2017, agreed the Council of the Future programme (ref FC38) and that update reports would be provided to the Executive. The Council of the Future Board had agreed a risk register for the programme. The risks would be monitored by the Board and the update reports to the Executive would provide oversight of the management of the risks.

### **Decision**

**The Committee noted the update on the Council of the Future change programme, and in particular, the further development of the risk register and Risk Strategy for governing purposes.**
