

P109. Demolition of Outbuilding and Erection of Dwellinghouse with Associated Infrastructure at Candiehead House, Standburn, Falkirk, FK1 2LE for Mr Eric Graham – P/18/0645/FUL

The committee considered a report by the Director of Development Services on an application for planning permission for the demolition of outbuilding and erection of dwellinghouse with associated infrastructure at Candiehead House, Standburn, Falkirk.

Decision

The committee granted planning permission subject to the following conditions:-

- (1) The development hereby approved shall be implemented in accordance with the plan(s) itemised in the informative below and forming part of this permission unless a variation is required by a condition of the permission or a non-material variation has been agreed in writing by Falkirk Council as Planning Authority.**
- (2) (i) No development shall commence on site until a contaminated land assessment has been submitted to and approved in writing by the Planning Authority. The assessment must determine the nature and extent of any contamination on the site, including contamination that may have originated from elsewhere. Any potential risks to human health, property, the water environment and designated ecological sites should be determined.**
(ii) Where contamination (as defined by Part iiA of the Environmental Protection Act 1990) is encountered, a detailed remediation strategy demonstrating that the site will be made suitable for its intended use by removing any unacceptable risks, caused by the contamination should be submitted to and approved in writing by the Planning Authority.
(iii) Prior to the commencement of development on site, the remediation works must be carried out in accordance with the strategy approved at (ii). No part of the development shall be occupied until a remediation completion report/validation certificate endorsed by the relevant parties have been submitted to and approved in writing by the Planning Authority. Unless otherwise agreed in writing by the Local Planning Authority.
- (3) No development shall commence on site until a full specification for all exterior materials and finishes, including details of the proposed exterior windows and doors shall be submitted to and approved in writing by the Planning Authority. Thereafter development shall proceed in accordance with the approved details.**

- (4) The development hereby approved shall not be occupied or brought into use until the following documents have been submitted to and approved in writing by the Planning Authority:
- i) a copy of the appropriate sustainability label (i.e. at least Bronze Active); and
 - ii) a Statement of Conformity which confirms that 10%, of the required CO₂ emissions reduction is achieved through the installation of low and zero carbon generating technologies.

Details and a timetable of how this is to be achieved, including details of physical works on site, shall be submitted to and approved in writing by Falkirk Council. The approved details shall be implemented in accordance with the approved timetable and retained as operational thereafter, unless otherwise agreed in writing by the Local Planning Authority.

Reasons:-

- (1) As these drawings and details constitute the approved development.
- (2) To ensure the ground is suitable for the proposed development.
- (3) To safeguard the visual amenity of the countryside.
- (4) To ensure the development achieves the required CO₂ emission reduction as a result of development.

Informatives:-

- (1) In accordance with section 58(1) of the Town and Country Planning (Scotland) Act 1997 (as amended), this permission lapses on the expiration of a period of 3 years beginning with the date on which this permission is granted unless the development to which this permission relates is begun before that expiration.
- (2) For the avoidance of doubt, the plan(s) to which this decision refer(s) bear our online reference number(s) 01 - 03, 04A, 05 and Supporting Documents.
- (3) The applicant shall ensure that noisy work which is audible at the site boundary shall ONLY be conducted between the following hours:

Monday to Friday	08:00 - 19:00 Hours
Saturday	08:00 - 13:00 Hours
Sunday / Bank Holidays	No noise audible at site boundary

Deviation from these hours of work is not permitted unless in emergency circumstances and with the prior approval of the Environmental Protection Unit.
