

## **VJB21. Flexible Working Policy**

The Board considered a report by the Assessor and Electoral registration Officer presenting revised Flexible Working Policy for approval.

The Boards' policy had been in place since 2015. It had been reviewed as part of the ongoing review of HR policies and following requests from staff to work compressed hours. The revised policy, which had been developed in consultations with Clackmannanshire Council, and the staff consultation process, contained provision for compressed hours.

### **Decision**

**The Board approved the updated Flexible Working Policy.**
