

## **VJB20. Salary Over and Under Payment Policy Report**

The Board considered a report presenting a draft Salary Over and Under Payment Policy for approval.

The policy which was based on that of Clackmannanshire Council had been the subject of consultation with the Staff Consultation Forum.

Ms Hutcheon confirmed that underpayments would be rectified immediately and that the length of pay back for over payments was negotiable dependent on the amount in question and the ability to pay back.

### **Decision**

**The Board approved the Salary Over and Under Payment Policy as appended to the report.**
