Case Officer: David Paterson

### Customer Details

Name: Mr Christopher Mulholland

Address: 31 Charles Sneddon Avenue Bo'ness

### Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Afternoon,

Unfortunatley i am against the building of this dwelling in this area, due to the fact that it will look out of place and over look our property. The reason we purchased this property was due to the fact that we didnt have anything overlooking our house and we enjoyed the green area to the side, which will now not be there if this is built. There is loads of wildlife in tress and bushes which will be affected due to this, which if this is done away with will have a massive effect. We have very little sunlight as it is at our house and garden and with this house being bult on the mound we will have next to nothing.
