Consequently the draft report remains in progress.</p>	Director of Corporate and Housing Services	12/11/2020	In Progress	<p>Work on this report has begun. However it will not be submitted to this meeting. The current focus of Services is on front line service delivery given the current circumstances. It is intended that the report will be submitted to the next meeting.</p> <p>Since the last update the lockdown restrictions have been tightened and this has placed greater focus on frontline services. This has meant that the officers who would have prepared the report have not been able to do so.
