

### **CCG35. Reporting on Locality Working**

The committee considered a report by the Locality Managers which sets out current locality management working arrangements and proposing that, going forward the committee, requests update reports by theme, including:-

- Care Assurance
- Budget
- Palliative care
- Community Supports
- Locality Plans
- Specialist Services.

It was intended that an annual report would be developed.

#### **Decision**

##### **The committee:-**

- 1) noted regular reports on Locality Working would be presented to the Committee, and**
- 2) agreed that a report on Care Homes in regard to the localities would be presented at the next meeting.**
