

CCG12. Annual Assurance Statement 2021-22 and CCGC Business

The Committee considered a report by the Senior Service Manager presenting the draft Clinical and Care Governance Annual Assurance Statement to the Committee for approval. Subject to the Committee's approval, this would then be presented to the IJB in September for consideration as a suite of Annual Assurance Statements. The report also noted the CCGC membership and terms of reference require to be reviewed.

Decision

The committee approved the draft Annual Assurance Statement 2021-22.
