

#### **VJB44. Professional Registration Policy Report**

The Board considered a report by the Divisional Assessor seeking approval of the Professional Registration Policy and Procedure.

The policy outlined the Board's approach to ensuring that, where necessary, employees achieve and maintain the appropriate professional registration either in line with statutory requirements or outlined as a requirement of the job role.

The policy set out guidance for managers and employees to ensure that the professional registration of employees was maintained to comply with both professional and statutory requirements and set out steps for checking the professional registration status of employees and the implications should a registration lapse.
