Gender Equality Scheme

Introduction

The Gender Equality Duty builds on and extends our commitment to equal opportunities. The Gender Equality Scheme, along with its associated action plan, is part of the overall development of equal opportunities within the Central Scotland Valuation Joint Board area.

The promotion of opportunity and the elimination of discrimination, in relation to gender is a process to which I am personally committed. This has required changes to our operations in the past year and will require further actions in the years to come. This report details the progress made to date and highlights the way forward.
