DECLARATION

I, the applicant/agent hereby serve notice on the planning authority to review the application as set out on this form and in the supporting documents.

Signature: 

Name: NEIL MC FADYEN

Date: 29/12/2011

Any personal data that you have been asked to provide on this form will be held and processed in accordance with the requirements of the 1998 Data Protection Act.

Two previous/separate pre-application site meetings/discussions have been held regarding this application (one meeting was to discuss full planning permission) and on both occasions the two different planning officers (Gavin Clark and Stephen McClure) viewed the proposals favourably and at no time hinted that an application for planning permission in principle would not be approved.

The reasons given for refusal quote Falkirk Council's local plan policy SC2 and SC8, I would argue that the application actually complies with policy SC2. Similarly the application complies with sections 4, 5 and 6 of policy SC8 and I feel that sections 1, 2 and 3 cannot be determined until a full planning application is submitted providing full details to show compliance with these sections.

I disagree that a satisfactory level of residential amenity cannot be provided.

I also disagree that the townscape character of the area cannot be continued; in fact a well-designed small house would indeed enhance the townscape character! (This plot is in the small village of Skinflats, after all!)

Again I disagree that adequate garden ground cannot be provided, as without a site layout plan showing the footprint of the house and the garden area, I fail to see how this can be determined, in fact without the benefit of a block plan or details of the house, I do not understand how a decision to refuse this application could be made!

I enclose six examples of houses built on small plots and three examples of small housing plots that are currently for sale, to support this application.

I also enclose a plan of the plot and details of the overlooking "buildings".

I also understand that no objections were received to this application when it was published in the Falkirk Herald in August 2011! If the intention of the planning department was to refuse this application, why go to the expense of advertising the application in the first place?

I therefore believe that this application for planning permission in principle should be approved, subject to a full planning application being submitted to address any outstanding issues.
