Councillor Nicol, seconded by Depute Provost Wilson, moved that the objection be not heard.

By way of an amendment, Councillor Kenna, seconded by Councillor McNally moved that the letter of objection be heard.

On a division, 3 Members voted for the Motion and 3 for the Amendment.

The Motion was carried on the casting vote of the Chairman.

Accordingly, **AGREED** that the letter of objection be not heard.

In response to a question from Councillor Nicol, the Clerk advised that at the previous meeting of the Licensing Board Members heard from the applicant and the five competent objectors on matters of demand for betting facilities and location of the premises, transport and parking, the presence of an ATM, noise and privacy and then decided to acquaint themselves with the locality by means of a site visit. She confirmed that the Board did consider the matter in some detail at the last Board meeting.

Questions were then asked of the applicant's agent by Members.

The Board **AGREED** that the application be refused on the grounds referred to in Section 19(b) of the Betting Gaming and Lotteries Act 1963, namely that the location of the premises was unsuitable. The Board did not consider that level of demand justified refusal.
