**Subject: Licensing (Scotland) Act 2005
 Premises Licences - Miscellaneous Applications - Fees**

**Meeting: Licensing Board
Date: 13 July 2009
Author: Clerk to the Licensing Board**

1. BACKGROUND

- 1.1 Members will recall that at their meeting on 12 March 2008 the Board determined a number of miscellaneous discretionary application fees in terms of the Licensing Fees Scotland Regulations 2007. At that time the Board were advised that a number of other miscellaneous application fees still remained to be set by the Board.
- 1.2 Following an examination of the workloads involved in processing and determining the various classes of application where the fees are still to be determined and having noted the fee levels set in this regard by other Boards to date, the fees indicated in red in appendix 1 attached to this report are recommended to the Board for its consideration.
- 1.3 To assist members in their deliberations the fees shown in black are those which have already been determined or are fixed by way of Statute / Regulation. Further, appendix 2 to this report provides details of fees set by a number of other Boards.

2. RECOMMENDATION

- 2.1 That the Board agrees to adopt the fee levels proposed.
