- **Transitions – Moving to a New School or Leaving School**

5. School Improvement

6. A handbook for children

A Foreword from the Director of Children's Services

Session 2019-20

This handbook contains a range of information about your child's school which will be of interest to you and your child. It offers an insight into the life and ethos of the school and also offers advice and assistance which you may find helpful in supporting and getting involved in your child's education.

Falkirk Council is keen to work with parents, not only to allow you a greater opportunity to contribute to your child's education, but also to encourage you to play a greater role in the life of the school as a whole. We offer a number of opportunities when you will be able to make your voice heard in relation to your own child's education, your local school, and Children's Services as a whole.

Throughout each school year there will be opportunities for you to discuss your child's progress with his/her teacher. There will also be Council-wide events for parents organised by Children's Services. These events are spread across the school year and each focuses on a particular theme. The events are open to all parents and they are also attended, wherever possible, by the Education Portfolio Holder as well as members of the Service's Management Team. Each session offers parents an opportunity to ask questions about aspects of their child's education. Dates for these events will be issued by your child's school and we hope you will be able to come along and hear about, and contribute to, our plans for Education in Falkirk.

We are pleased to introduce this handbook for session 2019/20 and trust it will provide you with all the relevant information you may need concerning your child's school. If you have any queries regarding the contents of the handbook please contact the Head Teacher of your child's school in the first instance who will be happy to offer any clarification required.

Robert Naylor
Directors of Children's Services
Falkirk Council

Footnote: If you want a printed copy of this handbook, please ask the school.

It may be possible to offer some assistance in helping to translate all or part of this handbook to parents whose first language is not English. Enquiries should be directed in to the Acting Communications Officer for Children's Services (tel: 01324 506657).

Curriculum for Excellence - Learning to Achieve

Learning Entitlements

In addition to the entitlements of Curriculum for Excellence our education provisions will reflect local needs and circumstances. Therefore, at different stages of their education, our learners will have opportunities to:

- Link aspects of their learning to the local environment and its heritage
- Participate on a residential experience where possible
- Participate in arts, sports and cultural events
- Participate in environmental projects
- Participate in a community project
- Participate in outdoor learning experiences
- Access appropriate technology
- Be consulted on and contribute to the decision making process in school
- Experience work based learning
- Develop collaborative, social, leadership and other life skills
- Access academic and vocational learning experiences
- Access learning experiences designed and / or delivered by relevant partners
- Reflect upon and be pro active in planning and making choices about their own learning
- Engage with learners in other countries and demonstrate knowledge of their culture.

How can you help?

By law, you must make sure your child receives education.

As a parent, you can help your child by:

- making sure your child goes to school regularly;
- encouraging and supporting your child with any homework given;
- showing that you are interested in how your child is getting on at school;
- encouraging your child to respect the school and the whole school community; and
- being involved in the life and work of the school.

Throughout this handbook the term 'parent' has the meaning attributed in the Standards in Scotland's Schools Act 2000 and the Scottish Schools (Parental Involvement) Act 2006. This includes grandparents, carer or anyone else who has parental responsibility for the child.

Welcome from the Head teacher

It is our pleasure to welcome you to Slamannan Primary School. Slamannan Primary is part of a wider Learning Community and the management and leadership for our school is shared with our neighbouring school, Limerigg Primary. Each school maintains its own unique position within their own communities but also benefit from shared developments and experiences for both staff and pupils. We believe that this enhances the learning experiences for children across our learning community. This handbook offers an introduction to Slamannan Primary and provides a general overview of the education your child will be getting at school.

If you have any questions, or would like any further information on any aspect of this handbook or the education of your child, please do not hesitate to contact me.

SCHOOL VISION, VALUES AND AIMS

“Our Vision is that all children, in our school, will enjoy learning and value themselves as learners. They will be resilient individuals who take risks with learning and challenge themselves in order to reach their potential. All children will be competent in literacy and numeracy and be empowered to use these skills in creative and innovative ways. They will share high expectations and respect for themselves, for others and for their school community. We will have strong, purposeful partnerships with our parents, partners and local community in order to achieve our aims and share in the celebration of our childrens’ successes.

To make our handbook easy to use I’ve divided the information into five different sections:-

Section One – Practical Information about the School

This section provides you with some background information on our school. It tells you how our school day and school year are made up and how to contact the school if, for example, your child is ill.

This section deals with the practical aspects of your child’s attendance at our school. It provides details on such things as:

- travelling to and from school
- school meals and milk
- financial assistance with school clothing, transport and school meals
- school closures in an emergency or unexpectedly for any reason
- general supervision available for your child in the morning and at lunchtime
- wet weather details
- how the school communicates with parents
- how to complain if you are not happy about something.

As with any organisation, to ensure smooth running and appropriate maintenance of standards, a range of procedures and policies have to be implemented within our school.

This section gives an overview of the policies the school has in place. If you would like to see a full copy of these policies or to discuss them in more detail, please contact me. Most of these policies are available on the school website – www.slamannan.falkirk.sch.uk

- Homework Policy

- Clothing or uniform (PE Clothing)
- Health Statement / medicines

Section Two – Parental Involvement in the School

Parental involvement is very important as we know it helps children do better in school.

This section contains information about how parents can be involved in supporting learning at home as part of a home – school partnership.

You can also find out more about the ethos of the school, what our values are and our aspirations for our pupils including how we celebrate pupil success, and links we have with partner organisations and the wider local, national and international community.

Lastly, it includes information on our Parent Council, how to contact them and how parents can get involved in the life and work of the school.

Section Three – School Curriculum

This section describes how the curriculum is planned and delivered in the school including the range of subjects and subject areas your child will be learning. It also includes information on how pupils develop skills for learning, life and work, including literacy, numeracy and health and wellbeing in and out of the classroom.

As well as giving you information about the statutory curriculum requirements we have included details on sports and outdoor activities available to pupils and the range of facilities available within the school.

Details of how parents will be informed about sensitive aspects of learning e.g. relationships, sexual health, parenthood and drugs awareness are included as well as information about religious instruction and observance and arrangements for parents who wish to exercise their right to withdraw their child.

This handbook also tells you how we will report on your child's progress and what written reports may be sent out to parents.

Section Four – Support for Pupils

This section gives information about how pupils' additional support needs will be identified and addressed and the types of specialist services provided within our school. This handbook also explains who to contact for more information if you think your child has additional support needs.

This section also gives information about transition – from primary school to secondary school – what the arrangements are and contact details of the catchment high school to which our pupils normally transfer. There are also details about making a placing request to another school.

Section Five – School Improvement

The section gives you an overview of the main achievements of the school within the last 12 months and performance information relating to literacy, numeracy and health and wellbeing.

Whilst Falkirk Council is happy to provide this information we do have some reservations that the publication of raw statistics, without any kind of informed qualification, can be misleading to the reader. In particular, they should not be construed as offering an indication of the quality of education provided in any of our schools.

We have also shown where you can get further information about our plans for the next three years to improve our performance and how the school will involve parents in that improvement.

Section Six – A Handbook for children

Some of our boys and girls put together a children's pictorial handbook to share information that they think any new child coming to our school would want to know.

I hope you find all of the above information helpful and self-explanatory. If you have any queries about any of the information contained in this handbook, or indeed about any aspect of our school, please do not hesitate to contact me.

Head Teacher
Slamannan Primary School

Disclaimer

The information in this school handbook is considered to be correct at the time of publication (Dec 2018), however, it is possible that there may be some inaccuracy by the start of the school term in August 2019.

Section One – Practical Information about the School Contact Details

Name of School: Slamannan Primary School

Address: Bank Street, Slamannan Fk1 3EZ

Telephone Number: 01324-851239

Website: www.slamannan.falkirk.sch.uk

E-mail Address: slamannanprimaryschool@falkirk.gov.uk

Stages of Education provided for:

Stages of Education provided for: Primary 1 to Primary 7

Present Roll: 132

Denominational Status of the School (if any): Non-denominational

Organisation of the School Day

Family link workers are in school from 8am every day

Breakfast club starts at 8.15

Start Time: 9.00am

Morning Break: 10.30-10.45

am Lunch Time: 12.15 – 1.15

pm Finish Time: 3.15pm

Gym days for pupils are:

- Specialist : Monday and Thursday
 - Class teachers will issue notes of times at the start of the session
- Assembly day for pupils is a Friday afternoon.

Slamannan Primary School is a non-denominational school situated in the village of Slamannan, 6 miles south east of Falkirk. It enjoys an open outlook over farmland and is served by a mixture of local authority and private housing. The school is held in high regard by the local community and benefits greatly from their support.

The current roll is 132 with pupils split across 6 classes. The school also has a local authority Enhanced Provision for pupils with additional support needs who meet the criteria for placement. The school building, comprises an original building dating from 1876 and a 1970's two-story extension. In October 2018 our Early Learning and Childcare Class opened. It boasts a baby room for under 3s and a huge playroom for 3-5 year olds. The class offers nursery provision from 8am to 6pm term time with two outdoor areas.

No Smoking

No smoking is permitted on school premises, including school grounds.

Monday 19 August 2019
 Tuesday 20 August 2019
 Monday 21 October 2019
 Tuesday 18 February 2020
 Friday 01 May 2020

Registration and enrolment

The date for registration of new school entrants is advertised in all local nurseries, the local press and on the council's website www.falkirk.gov.uk. It is normally in January each year. Pupils should be registered in only one school for their catchment area. Parents will be provided with information about the school, when they register their child.

Parents who want to send their child to a school other than the catchment school must make a placing request. Please refer to section four of this handbook for more information on placing requests.

Parents of pupils who have moved into the catchment area or, who wish their child to transfer to the school, should contact the school office for information.

Attendance and absence

It is the responsibility of parents of a child of school age to make sure that their child is educated. Most do this by sending their child to school regularly. Attendance is recorded twice a day, morning and afternoon.

Absence from school is recorded as 'authorised' i.e. it has been approved by the education authority, or as 'unauthorised' i.e. the absence remaining unexplained by the parent.

Please let the school if your child is likely to be absent. A letter is required on their return. If there is no explanation from a child's parents / carers, the absence will be regarded as unauthorised.

Please make every effort to avoid family holidays during term time as this disrupts your child's education and reduces learning time. Holidays are recorded as unauthorised absences.

Parents from minority ethnic and/or religious communities may request that their children be permitted to be absent from school to celebrate recognised religious and/or cultural events. Absence approved by the headteacher on this basis is regarded as authorised absence.

A supportive approach is taken to unexplained absence. However the education authority has legal powers to write to, interview or prosecute parents, or refer pupils to the Reporter to the Children's Panel.

School Dress Code

Parents are asked to co-operate with the school in encouraging their child to follow the school's dress code.

All schools have a dress code, which includes the school's policy on uniform. The wearing of uniform is encouraged as it helps to:

- develop a school community spirit
- improves school security by making non-pupils more easily identifiable

- allows pupils to be easily identified when out of the school, e.g. on trips
- enhances the school's reputation within the community; and
- minimises rivalry and bullying amongst pupils that can arise from, for example, the wearing of designer clothing.

The school's dress code has been agreed in consultation with parents, pupils, staff and the Parent Council. This consultation has ensured that the dress code meets the needs of the school community, allows pupils to participate in all aspects of school life and is age appropriate.

The uniform comprises:

- Royal Blue Sweatshirts or cardigan
Polo Shirts (White or Royal Blue)
Dark trousers or skirt

School uniform can be purchased by requesting a uniform order form from the school office where up to date prices will be available. New entrants to our school will be information when parents and children have their transition and induction visit from Nursery to Primary One in June

The appropriate clothing and footwear for PE is a T-shirt, shorts and gym shoes with non-marking soles. These are necessary for health and safety reasons and your co-operation is requested to ensure that pupils are equipped to participate in the PE lessons. Pupils have a weekly Outdoor PE session regardless of the weather, for this they require joggers, sweatshirt, trainers and waterproof jacket. Earrings and other jewellery should be removed for PE.

Please ensure that all items of clothing are clearly labelled, particularly ties, sweat shirts and PE equipment, which are often lost. A protective apron or an old shirt should be worn for art and craft activities. Please help the school and the education authority by making sure that pupils do not bring valuable or expensive items of clothing to school.

Offensive clothing such as T-shirts or other items featuring inappropriate language or illustrations is not permitted. Football colours are also inappropriate as they can lead to incidents of rivalry.

If you have any queries regarding the school's dress code, please contact the Headteacher.

School Meals

Primary and Secondary Menus offer healthy and tasty meal options whilst reflecting the Scottish Government food and drink legal requirements for School Lunches. Special diets and allergies are usually accommodated subject to consultation with the parent/guardian and the regional dietician. Primary School Menus provide 3 daily choices with High Schools providing a range of plated meals, pasta, meal deals and salad boxes. Meal prices are reviewed annually. Please contact the school to be advised of the current price.

All P1-3 pupils are entitled to a free school meal. In the case of P4-P7 and secondary aged pupils, some families may be eligible to apply to Falkirk

Council for provision of free school meals. Further details can be obtained from your child's school.

Payment for lunches is preferred on a Monday for the week ahead but can also be paid on a daily basis. Pupils taking a school meal will select their menu option first thing every morning. The lunch menu is posted on twitter every Sunday to allow parents help their child choose their lunches for the week.

The school meals are cooked in the school kitchen. All children eat within the school's dining room, including those who bring a pack lunch to school.

We have a supervised Breakfast Club which runs from 8.15am - 8.55am. **Children are not permitted to bring nuts to school as some pupils suffer from nut allergies.** Glass bottles and canned drinks are also not permitted.

Children are encouraged to bring a healthy playtime snack and a bottle of water (with sports-type top) for use in the classroom throughout the day.

Medically Prescribed Diets

Parents/Carers with a child/ren on a medically prescribed diet should contact the Headteacher in order to obtain and complete a prescribed diet referral form. The Schools Meals Service will only accommodate a child/ren with a medical referral supplied by their G.P.

Free School Meals and Clothing Grants

Some families may be eligible to apply to Falkirk Council for free school meals and / or a payment towards the cost of footwear and clothing.

You can get more information, and apply online at www.falkirk.gov.uk/fsm. You can also contact 01324 506999, or visit our One Stop Shops or the Advice and Support Hub.

School Clothing Grant

Falkirk Council can also provide assistance with the cost of school clothing and footwear.

Clothing grants are available for children who live in the Falkirk Council area and who are in compulsory education at any of our [primary](#), [special](#) or [secondary](#) schools. Pupils attending some special schools outside the area may also be eligible for this grant.

School clothing grants are not available to children attending [nursery schools](#), nursery classes or other pre-5 centres.

The School Clothing Grant is means tested. To be eligible, parents or guardians must meet one of the following criteria:

- In receipt of Income Support, or
- In receipt of Income-based Job Seekers Allowance, or
- In receipt of Income-related Employment and Support Allowance, or

- In receipt of Child Tax Credit only with a gross annual income below £16,105, or
- In receipt of Child Tax Credit and Working Tax Credit with a gross annual income below £16,105

Payments are paid directly into the parent or guardian's bank account.

Travel to and from School

Parents should remind their child(ren) that, in the interests of safety, good behaviour is expected from all pupils travelling on school transport.

Children should be reminded by parents that, wherever possible, they should only cross the road where there is a crossing patrol and should exercise care on walking to and from school.

Parents are requested, when dropping off/collecting children from school that they do not park near the pedestrian exit or in any location which causes an obstruction and they take care when leaving the car park area.

Storage facilities for children coming to school by scooter or bicycle are available in playground. Children should wear cycle helmets and bring an appropriate padlock to secure their bicycle. They should dismount on arrival at the playground gates. Please note that the school cannot accept any responsibility for any loss or damage to bicycles, scooters etc.

Transport for Primary and Secondary School Children (Excluding Placing Requests)

Free school transport is provided to and from your home address to your child's catchment school if they are distance entitled. Falkirk Council operate a more generous distance entitlement policy than required by law.

Distance entitled children are:

- ✓ All children under 8 years of age who live one mile or over from their catchment school by the nearest available safe walking route*.
- ✓ All children 8 years of age or over who live two miles or over from their catchment school by the nearest available safe walking route*.

*Note – a "safe walking route" assumes that the pupil is accompanied by a responsible adult.

Concessions, details of times of operation, criteria and application forms are available from the Transport Planning Unit within Falkirk Council. Tel: 01324 504724 / 504966.

Pickup points

Where home to school transport is provided, some pupils will require to walk a reasonable distance from home to the transport pick-up point but this should not exceed the authority's agreed limit of 1 mile.

It is the parent's responsibility to make sure that their child arrives at the pickup point on time and behaves in a safe and acceptable manner while boarding, travelling in and

leaving the vehicle. Children who misbehave can lose their right to home to school transport.

General Supervision

Before school begins supervision is very limited, therefore pupils should not arrive at school until as near to the school start time as possible.

During intervals Support for Learning Assistants supervise the children. There is always access to the building and the children are made aware of this. For further information on these arrangements, please contact the school.

School Security

Falkirk Council has introduced procedures to ensure the safety and security of pupils and staff when attending or working in a school. We use a number of security measures including a visitors" book, badges and escorts, while visitors are within the school building. Normally, anyone calling at a school for any reason will be asked to report to the school office. Staff then make the necessary arrangements for the visit.

CCTV cameras are in operation at all times around the school grounds

Wet Weather Arrangements

Children should be dressed appropriately for the weather as they will be outside at breaks even when it is raining. Only in adverse weather will pupils stay in school during breaks and at lunchtime. However, as supervision during these periods is limited, it is especially important that the children act responsibly. Home lunch children should not return until 1.10pm

Progress Meetings

We offer opportunities for pupils, parents and teachers to discuss progress in learning through arranged meetings in November and June each year. Over and above these meetings, parents are welcome to contact the school at any time to ask for information or for a meeting. Please see section two of this handbook for more details on home / school partnership.

Communication with Home

From time to time you will receive important and routine communications from the school via variety of methods (email, group call, social media etc.). Parents are also encouraged to check their child's schoolbag for these communications. Enquiries of any kind should be addressed to the Headteacher in the first instance.

Unexpected Closures

Most closures will be notified to you in writing, in advance, but there are occasions when the children may be dismissed early without warning, e.g. as a result of power cuts or severe weather. To help us keep you informed it is important that you make sure we have the most up to date emergency contact information for your family. We will keep in touch using text messaging, via the Falkirk Council website or via information broadcast on Central FM.

Mobile devices

Parents provide their children with mobile devices for a variety of

reasons, including supporting learning and for personal safety. However, if devices are brought to school there must be a clear understanding that the individual pupil is responsible for the care of their device and they must remain switched off during the school day.

ICT Acceptable Use Policy

Falkirk Council Children's Services recognises that access to Information and Communications Technology (ICT) equipment and services helps young people to learn and develop skills that will prepare them for work, life and citizenship in the 21st Century.

To support this, we provide resources for pupils and staff to use. The Children's Services ICT Acceptable Use Policy (AUP) outlines the guidelines and behaviours that pupils are expected to follow when using school equipment or when using personally-owned mobile devices in Falkirk Council establishments. The purpose of this is to protect young people online and to protect the Council's network and equipment. The ICT Acceptable Use Policy (AUP) will be issued by the school for both parent(s) and pupil(s) to sign.

Equality

The council is required to work towards advancing equality of opportunity for all people and to foster good relations between people. The council is committed to eliminating discrimination on the grounds of race, sex, disability, sexual orientation, religion/belief, age, marriage or civil partnership, transgender status, pregnancy/maternity or poverty.

Children's Services has a range of policies and procedures to address equalities issues specific to education to enable us to fulfil these duties. In addition to this all education establishments have a responsibility to report incidents of prejudice-based bullying.

English as an Additional Language

The Council provides a support service of teachers of English as an additional language. The teachers visit schools to work with those bilingual pupils who require assistance in developing English language skills.

Compliments, Enquiries and Complaints Procedure

Falkirk Council Children's Services would like you to be completely satisfied with your child's education. We encourage feedback on our services from parents, pupils and members of the public. We are interested in feedback of all kinds, whether it be compliments, enquiries or complaints.

Sometimes, parents/carers may feel that the services provided are not what they wished for and they may wish to complain. If you have a complaint about the service provided by the school, please let us know.

How do I complain?

Complaints can be made to schools in writing, by email, on the telephone, in person or by using the Falkirk Council online complaints form on the website.

Who do I complain to?

Parents must first consult the school regarding their complaint.

What happens with my complaint?

All complaints will now be logged confidentially on our Customer First online complaints handling system. They will be monitored exclusively by each school and Children's Services staff at Sealock House to ensure any response is within the timescales. This system will enable us to learn from complaints to prevent similar issues arising in future. We will deal with your complaint confidentially and as quickly as possible. If we have made a mistake we will apologise and try to put things right.

How long will it take until I get a reply?

Our aim is to respond within 5 working days to front line complaints, (Stage 1) although issues can sometimes be complex and the school may need time to investigate them.

What happens next?

If your complaint has not been satisfactorily resolved by the school, it may be eligible for consideration at the second, investigation stage by Children's Services headquarters at Sealock House. Complaints will not be considered by Children's Services unless they have been first reported to the school – unless there are exceptional circumstances. Our aim is to respond to second stage complaints within 20 working days.

Who else can help?

If you remain dissatisfied after the second, investigation stage, you can raise the matter with the Scottish Public Services Ombudsman

<https://www.spsso.org.uk/complain/form/start/>

You should also be aware that you have the right to raise concerns with your local Councillor, MSP or MP.

What else do I need to know?

Please note that schools can only respond to complaints about a service that they or Falkirk Council provides or a service we have contracted from a third party.

The Council's complaints handling procedure sets a time limit for making a complaint of six months from when the customer first knew of the problem

You can find out more about the Council's Complaint Procedure from the Falkirk Council website - <http://www.falkirk.gov.uk/contact-us/complaints/>

School Health Service

NHS Forth Valley has a statutory obligation to provide a health service for all school age children in Falkirk District. The aim of the service is to make sure that all children, throughout their school years, are in the best possible health to benefit from their education

The Public Health Nursing Team for Schools offer health assessments and reviews, health screening and deliver school based immunisation programmes. The team comprises of Public Health Nurses (Specialist Practitioner), Registered Nurses and Healthcare Assistants who are based in a local Health Centre and work over a number of schools in the area.

Pupils, parents/carers can request a health appointment at any time. Other health professionals and teaching staff can also request a health appointment for the child or young person with parental and or young person's consent.

Health reviews will take place as necessary involving a parent questionnaire, a check of health records and if required screening of growth and vision.

- Health screening – All children in primary one and at other selected stages will be seen to have their growth and vision checked
- Immunisations – Secondary school pupils are offered immunisations. At the appropriate time information booklets and consent forms will be issued.
- Health Education – The Public Health Nursing Team has an important role in encouraging health lifestyles, working closely with teaching staff, pupils, parents/carers and the community.

The School Doctor (Community Paediatrician) may also offer appointments to children who have a significant ongoing medical or developmental condition affecting their education. School staff and parents can request a consultation with the School Doctor at any time.

The School Health Service can be contacted on – 01786 434059

The Public Dental Service carries out dental inspections in Primary 1 and Primary 7 and can help access dental services for those children who are not registered with a Dentist.

Infectious Diseases

Colds, flu and gastroenteritis are the most common infections affecting children of school age. It is important that you keep your child off school in the early stages of flu and while they still have diarrhoea. Children should not return to school for 48 hours after the symptoms (vomiting and diarrhoea) have stopped.

It is also important that your child understands how to prevent picking up and spreading such infections. You will be able to get further advice about good health from staff in your Health Centre or GP Practice.

For advice about early detection and treatment for other infectious diseases e.g. chickenpox and mumps, please consult your GP or Nurse.

Head Lice

Head lice are spread through head to head contact at home, while playing or in school.

Regular wet combing of your child's hair using a head lice detection comb is the best way to catch this possible problem at an early stage.

The only way to be sure that your child has head lice is to find a live louse. If you find live lice, get the correct lotion from your doctor, health visitor or pharmacist. Shampoos and other treatments are not effective.

One treatment is two applications of the treatment lotion, seven days apart. If this is not followed then re-infection is likely.

Advise family members and close friends that your child has head lice and that they should check their own hair. Only treat if live lice are found. Don't be shy about advising others of this possible problem because you would likely tell family and friends about other infections which might affect them.

Regular wet combing of your child's hair with the head lice detector comb is the best protection as it allows you to detect the condition and treat it speedily.

Further advice can be obtained from the Health Board head lice leaflet which is available in all schools and health centres. Children's Services leaflet „Frequently Asked Questions“, which is also available in schools.

If you would like to discuss your particular concerns, you could speak to:

Infection Control Service
Forth Valley Royal Hospital
Stirling Road
Larbert
FK5 4WR
01324 567490 / 01324 567679

Clinics

From time to time some children are asked to attend clinics (eye clinics, dentist, doctor, etc). Please inform the school of these visits and arrange for your child to be collected if he/she must leave school to attend the clinic.

No child will be allowed away from school during school hours unless accompanied by a responsible adult or unless written permission to do so has been given by the parent.

Medicine administration

The administration of medicines prescribed by a family doctor is undertaken at the discretion of the Headteacher but schools are generally happy to co-operate with parents in doing so. In order to safeguard the health and safety of children, procedures are drawn up by Falkirk Council Children's Services.

When a child is prescribed medication by a doctor or a dentist and parents require the school to administer this, the relevant request Form should be completed. The MED 1 Form requires parents to deliver the medication to schools for administration by school staff.

Prescribed medication should be clearly marked with your child's name, the date prescribed, how often it has to be taken and for how long.

Falkirk Council liability insurance does not provide indemnity to employees for administering non- prescribed medicines.

For medical appointments during school hours, please notify the school by letter and collect your child from the school.

Public Liability

Personal Injury

Falkirk Council has in force a Public Liability policy which operates in respect of claims for injury to any school child whilst in the control of the Council or employees, however the onus is on the claimant to prove that the Council have been legally negligent.

Pupil's Property

Each session, unfortunately but inevitably, pupil's property is lost, damaged or stolen from school. Parents are therefore discouraged from allowing their children to carry expensive items of personal belongings to the school and are reminded that a standard household policy can be extended to provide a degree of cover for personal items taken away from the home. Falkirk Council are not legally responsible for lost, damaged or stolen items unless specifically entrusted to a staff member.

Any claim made for loss or damage to the property left in the care of the school will have to be submitted, in the first instance to Children's Services, and the claim will only be settled if it is shown that the Council can be held legally liable for the loss.

Personal Accident Cover – Educational Excursions

The Council has in force personal accident cover for school children under which compensation is payable in the circumstances below, irrespective of legal liability.

1. Death	£30,000
2. Permanent Total/Partial Disablement	up to £30,000

The insurance applies to any activities involving a journey outside the premises of the School – both in the UK and overseas – organised by the school/Council.

Section Two – Parental Involvement in the School

Parents Welcome

All Falkirk Council schools welcome and encourage parental involvement and engagement. Research has shown that when parents are involved children do better in school.

Communication is done through our Facebook page, twitter feed, our school website, text messaging, our school app and phone calls. From time to time your child will bring home important and routine communications from the school. Please be encouraged to check your child's schoolbag for these communications. Newsletters and other information is also available on our school app and on our website.

Our "open door" policy allows parents/carers the opportunity to make an appointment with a staff member. This should be done through the school office, and a meeting will be quickly arranged with the relevant member of staff, where possible within 24 hours. Parents are also encouraged to use communication diaries and learning logs as a means of home-school contact, as and when appropriate.

We are privileged to have a family link team based in school every day from 8am-12 noon. They can be contacted by phoning the school and by dropping in. We have a family room where you can have a cup of tea and a chat.

General communication

We make use of leaflets, newsletters, display boards, email, telephone, the website, school app and text to keep parents informed. Email communication can be sent to slamannanprimaryschool@falkirk.gov.uk.

Our school app is downloadable from the app store if you search PSA. Once downloaded search for Limerigg and Slamannan Learning Community.

Induction events

An induction afternoon is held in June for the parents of our new Primary 1 intake providing an opportunity for parents to learn more about the school while the children spend time in their P1 classroom.

A more enhanced transition process is in place for all pupils and is designed to meet the individual needs of each child. This may include the involvement of other adults already involved with the family.

Meet the teacher Event

We have an evening in September when parents have the opportunity to come along and be introduced to their child's teacher. The teacher shares information about the class routines and school policies including homework and supporting positive behaviour. The teacher will also share the key aspects of the curriculum to be covered by your child during the session.

Progress meetings

School staff meet with all parents in November, March and June. We encourage our pupils to be part of the learning conversations alongside their parent and teacher.

These evenings are utilised to provide parents with information about the curriculum e.g. curricular exhibitions, wall displays, access to view teaching materials and programmes of study. We undertake consultation using questionnaires and other feedback requests.

Events/Classroom Visits

Parents are invited in regularly to participate in class projects, view work or share their own work experiences. We also have workshops to share new school initiatives and resources. We have a minimum of one whole school event each term as an opportunity for parents, family and friends to come along and celebrate their child's learning.

School website/Facebook

We now have our own Facebook page where we share what's happening in classes and across the school. You can like our page at LimeriggandSlamannanLearningCommunity on Facebook. We also have a twitter feed, @slamannps.

You can also access what we post on social media through the school website, latest news section or via our school app.

Parentzone Scotland is a unique website for parents and carers in Scotland, from early years to beyond school. The website provides up-to-date information about learning in Scotland, and practical advice and ideas to support children's learning at home in literacy, numeracy, health and wellbeing and science. Information is also available on Parentzone Scotland regarding additional support needs, how parents can get involved in their child's school and education. Furthermore, the website has details about schools including performance data for school leavers from S4-S6; and links to the national, and local authority and school level data on the achievement of Curriculum for Excellence levels. Parentzone Scotland can be accessed at <https://education.gov.scot/parentzone>.

Information and advice on education and learning for parents in Scotland

Be at the heart of your child's learning . . .

Home learning

Practitioners provide home learning activities to support reinforcement of learning or to encourage pupils to apply learning in different ways, often in real life situations.

Parents are encouraged to get involved in home learning tasks. This helps parents keep up-to-date about learning in class and promote positive learning partnerships.

Homework activities are directly linked to the work happening in the class. Class teachers will share information each week about what children are learning. Parents decide how to use this information at home to support their child's progress. We worked in partnership with parents this session to review our homework policy to ensure that it best supports our families.

Curriculum

We use information evenings, workshop events and leaflets to share information about our approaches to learning and teaching and the curriculum with parents. We involve other agencies to enhance this information when appropriate e.g. Police co-presenting with teachers to deliver internet-safety advice for parents.

Additional support

We are responsive to the individual needs of pupils and family circumstances. The additional support needs of a child may necessitate more frequent meetings with parents and, in some cases, daily contact e.g. via home/school diary, telephone. We actively encourage this being a two-way process where both the home and school initiate the information sharing.

Parent helpers

We strongly encourage partnership with parents. Any parent wishing to become involved in any aspect of school life should contact the office.

School Improvement

We invite parents to be part of working groups taking forward specific aspects of development in line with our School Improvement Plan.

You can read what parents say about our school in our Standards and Quality Report on our school web-site www.slamannan.falkirk.sch.uk

Parent Councils

Parents are welcomed to be:

- involved with their child's education and learning;
- be active participants in the life of the school; and
- express their views on school education generally and work in partnership with the school.

All parents / carers are automatically members of the Parent Forum at this school. As a member of the Parent Forum all parents can expect to –

- receive information about the school and its activities;
- hear about what partnership with parents means in our school;
- be invited to be involved in ways and times that suit you;
- identify issues you want the Parent Council to work on with the school;
- be asked your opinion by the Parent Council on issues relating to the school and the education it provides;
- work in collaboratively with the school; and
- enjoy taking part in the life of the school in whatever way possible.

Parent Councils are the formal representative body for parents / carers with children attending school. Parent Councils are different in each school to enable them to meet the needs of parents / carers locally.

The Parent Forum decides how their representatives on the Parent Council are chosen and how the Parent Council operates. Parents / carers are encouraged to volunteer or put themselves forward to be chosen as representatives of the Parent Council if they wish.

The main aims of the Parent Council are:

- To support and work collaboratively with the school in its work with pupils
- To seek and represent the views of parents
- To promote contact between the school, parents, pupils, providers of nursery education and the community
- To report to the Parent Forum
- To be involved in the appointment of senior promoted staff in the school.

- To raise funds for the school for the benefit of pupils (in some schools the PTA/PA fulfils this role).

For more information on parental involvement and engagement or to find out about parents as partners in their children's learning, please contact the school or visit the Parentzone website at <https://www.education.gov.scot/parentzone/>

The chair of our Parent Council is Mrs Beverley Kane. She can be contacted in writing by marking the envelope for her attention and leaving it at the school office.

All parents are welcome to attend Parent Council meetings. Meeting dates are publicised in the monthly school newsletter, on the school App and on the Parent Council notice-board which is situated just inside the main entrance of the school.

Connect (formerly the SPTC) the national organisation for PTAs and PAs in Scotland, Parent Councils are members too, and it runs an independent helpline service for all parents. They can be contacted by phone on 0131 474 6199, via website <https://connect.scot/>, email on info@connect.scot or write to Connect, Mansfield Traquair Centre, 15 Mansfield Place, Edinburgh, EH3 6BB.

Pupil Voice

We aim to help our pupils develop an understanding of their ability to bring about positive change within their school and learning community. This involves pupils in the decision making process, respecting pupils as partners in their own education and involving the whole school community in developing an understanding of shared standards of behaviour and maintaining that standard. We hope to foster the acquisition of knowledge and skills in their personal and social development and citizenship.

School Ethos

In Slamannan Primary School we strive to create a positive ethos where visitors are warmly welcomed and where pupils and staff feel safe, secure and valued in an inclusive learning environment, based on the values embedded within Curriculum for Excellence; wisdom, justice, compassion and integrity.

We place importance on healthy and happy relationships between all pupils and adults.

We value the health and wellbeing of our children and ensure that our curriculum embeds continuous opportunities to support and enrich the wellbeing of our children.

We take a holistic approach to meeting children's needs and use the wellbeing indicators – Safe, Healthy, Active, Nurtured, Achieving, Respected, Responsible and included to assess pupil's wellbeing.

In September 2018 we agreed our 6 living values with Staff Pupils and Parents

These are

Honesty

Happiness

Friendship

Respect

Self-belief

Kindness

We recognise and celebrate pupil achievement, in a wide variety of ways:

Classroom and School Displays

Pupils work is respected, and achievement recognised through the use of classroom and corridor displays e.g. Our Amazing Achievers and Dojo Winners Display.

Dojo Winners

The pupil who receives the most Dojo points in each class is awarded a certificate each week at assembly.

Celebrating Success

We share our pupil's achievements regularly on Twitter. We have a weekly celebration assembly when children's achievements are reinforced. This includes birthdays and good attendance.

Sporting/Cultural /Out of School Achievements

Parents are actively encouraged to share out-of-school achievements through our Twitter page and through our school app. These out of school achievements are given equal credibility at celebration assembly.

Partnership Working

Learning Community

Limerigg Primary & Slamannan Primary & ELCC share the same leadership team. This ensures that there is very close partnership working across these three establishments.

We participate in a range of joint learning initiatives both within and out with the school day. Pupils from Limerigg are invited to Slamannan to be part of the basketball and football clubs.

Falkirk Cluster

Slamannan Primary is a member of the Falkirk Cluster. The Falkirk cluster consists of 7 primary schools and Windsor Park School whose pupils transfer to Falkirk High School.

Our Primary 7 pupils and teachers work very closely with our cluster secondary school and take part in shared projects and cluster showcase events on a variety of topics.

Development of Pupils' mental, social and emotional wellbeing

The school is committed to supporting the development of its pupils as whole people and as a result, wishes to encourage their holistic wellbeing.

Mental, social and emotional wellbeing is supported in the following ways;

- Creating a school ethos which, in every way possible, gives value to these aspects of development, especially by providing an overall atmosphere that is both caring and challenging and which provides opportunities for exercising rights and responsibility.
- Ensuring that staff and adults in the school acts as positive models for pupils.
- Providing opportunities for members of the school community to come together as a whole to reinforce common values.
- Providing rich opportunities across all areas of the curriculum to develop mental, social and emotional wellbeing.
- Taking every opportunity within the curriculum and across the under work of the school to celebrate diversity and promote equality.

The Right to Feel Safe (in School)

Every child has the right to feel safe and in school we have adopted restorative approaches which are evidenced to be a more effective response than traditional methods. Pupils are given the opportunity to accept responsibility for their actions, recognise the harm done and are supported to find restorative responses to the harm they have caused.

There are times where sanctions are appropriate; exclusion is seen as a last resort and carried out when incidents fall within the legislation criteria.

Circle Time Approach

Teachers make use of regular "Circle Time" to provide children with an opportunity to explore a range of situations in a safe, structured way, ensuring that all pupils have a voice.

If a child's behaviour is an ongoing concern then someone from the leadership team

will contact you. We encourage partnership working to illustrate to the child that following values is a necessary part of life both within and out with school.

We put a great deal of emphasis on Health and Wellbeing of all children and this is the responsibility of every member of staff. It addresses friendship, coping with change and social, emotional and physical wellbeing as well as being and feeling safe. It ensures that our pupils develop knowledge and skills appropriate to their level of development in a coherent and progressive way.

Section Three – School Curriculum - Curriculum for Excellence

Bringing **learning to life** and **life to learning**

Curriculum for Excellence has now been introduced across Scotland for all 3-18 year olds – wherever they learn. It aims to **raise standards**, prepare our children for a future they do not yet know and equip them for jobs of tomorrow in a fast changing world.

Glow, Scotland's unique, world leading, online network supports learners and teachers and plans are already in place for parents across the country to have access to Glow. Parents should ask the school how to arrange access to Glow and a user name and password will be issued.

Teachers and practitioners will share information to plan a child's 'learning journey' from 3-18, helping their progression from nursery to primary, primary to secondary and beyond, ensuring each transition is smooth. They'll ensure children continue to work at a pace they can cope with and with challenge they can thrive on.

Curriculum for Excellence balances the importance of **knowledge** and **skills**. Every child is entitled to a **broad and deep** general education, whatever their level and ability. Every single teacher and practitioner will be responsible for the development of **literacy and numeracy and health and wellbeing** from Early Level through to Senior Phase.

It develops **skills** for learning, life and work, bringing real life into the classroom, making learning relevant and helping young people apply lessons to their life beyond the classroom. It links **knowledge** in one subject area to another helping make connections in their learning. It develops skills which can enable children to think for themselves, make sound judgements, challenge, enquire and find solutions.

There are a variety of ways **assessing progress** and ensuring children and young people achieve their potential. This includes teachers' professional judgement, Scottish National Assessment and national qualifications.

There is an entitlement to personal **support** to help young people fulfil their potential and make the most of their opportunities with **additional support** wherever that's needed. There is an emphasis by all staff on looking after our children's **health and wellbeing** – to ensure that the school is a place where children feel safe and secure.

Ultimately, Curriculum for Excellence aims to improve our children's life chances, to nurture **successful** learners, **confident** individuals, **effective** contributors, and **responsible** citizens, building on Scotland's reputation for great education.

Please contact the headteacher if you would like any further information about the curriculum within our school.

The Learners' Journey

At Slamannan Primary we aim to ensure that all pupils are successful learners, confident individuals, effective contributors, and responsible citizens by looking

at the totality of their experiences in the following contexts:

- Curriculum areas and subjects
- Inter-disciplinary learning i.e. learning through more than one curricular area
- Ethos and life of the school
- Opportunities for personal achievement

There are eight curricular areas:

Curricular Area	Aspects Included
Expressive Arts	Music, Drama, Dance and Art
Health and Wellbeing	Personal and Social Development, Emotional Health, Health Education, Physical Education
Language (including Modern Language)	Talking, Listening, Reading Writing French is taught in nursery and across the school this session Spanish is taught P5-7
Mathematics	Number, Money, Measurement, Shape, Position and Movement, Problem Solving, mental Maths, Information handling, Data Handling
Religious and Moral Education	Christianity, Other World Religions and Personal Search
Science	Sciences, Environmental Education, Technology, ECO Schools
Social Subjects	History, Geography and Modern Studies
Technologies	Craft and Design, Graphics, Information Communication Technology

The entire staff has responsibility for the development of literacy, numeracy and health and wellbeing as these are overarching subjects which impact on every area of the curriculum and school life e.g. the art teacher may use an extract from the novel being studied in class as the stimulus for a piece of art work, the PE teacher may teach aspects of mathematics in an athletics session, a support assistant may support a child making healthy eating choices in the school dining room.

We utilise a range of approaches to support our pupils in the development of a range of skills for learning, life and work. Pupils will experience enterprising learning opportunities, active learning and co-operative learning approaches throughout the school.

Curriculum for Excellence emphasises the value of an active learning approach. In the early years, children will have a range of learning experiences that include planned, purposeful play and stimulating learning which engages and challenges children's thinking using real life and imaginary situations. As children progress through school they continue to be involved in active learning experiences which are engaging and give them ownership of their own learning.

If you wish to learn more about Curriculum for Excellence on Education Scotland's website [https://education.gov.scot/scottish-education-system/policy-for-scottish-education/policy-drivers/cfe-\(building-from-the-statement-appendix-incl-btc1-5\)/What%20is%20Curriculum%20for%20Excellence?](https://education.gov.scot/scottish-education-system/policy-for-scottish-education/policy-drivers/cfe-(building-from-the-statement-appendix-incl-btc1-5)/What%20is%20Curriculum%20for%20Excellence?)

Please contact the head teacher if you would like any further information about the curriculum within our school.

Active Learning

Curriculum for Excellence emphasises the value of an active learning approach. In the early years, children will have a range of learning experiences that include planned and purposeful play and stimulating learning which engages and challenges children's thinking using real life and imaginary situations. As children progress through school they continue to be involved in active learning experiences which give them ownership of their own learning, encourage co-operative working and utilise skills required for learning, life and work.

Planning Children's and Young People's Learning

Practitioners use a variety of approaches to make use that pupils understand the purpose of their learning and are clear about how to be successful. A variety of planning approaches are used to ensure that experiences are progressive, skills – focused and meet pupils learning needs. Often individual's targets help pupils to assess their own learning.

Care of Books / Materials

To enable us to provide the best possible education for your child, every care should be taken to look after the school's resources and facilities. Parents are asked to remind their child(ren) that all school equipment and fitments should be used with care.

Books and learning resources which are lost or destroyed must be paid for, either wholly or in part, depending on the age of the resource. Any loss of school or Council property should be reported immediately to the school.

Sensitive Aspects of Learning

As part of our Health and wellbeing curriculum sensitive topic areas such as:

- Growth and Development
- Sexual Health
- Relationships
- Parenthood
- Personal Safety
- Drug Awareness

These topics are well supported by our school nurse and parents/carers can attend a workshop where materials and resources are shared and discussed and any concerns addressed. We plan through such topics to develop skills and knowledge to enable our pupils to make informed decisions that will have a positive effect on their sexual health and well-being that are right for them in the future.

Religious Instruction and Observance

Religious Instruction

Schools have a statutory duty to provide Religious Instruction in the timetable. This aims to promote a knowledge of the Christian and other faiths, and encourage children and young people to develop enquiring minds through investigating spiritual, moral and philosophical issues.

Religious Instruction may include visits to local places of worship, and/or visits from representatives of places of worship. This helps children and young people to develop knowledge and understanding of faiths, especially those with which they are less familiar.

Ultimately, pupils in the upper secondary school can gain a qualification through the study of Religious, Moral and Philosophical Studies at Higher and Advanced Higher Levels. These courses further develop young people's skills in logical thinking, methodical enquiry and ways of expressing ideas effectively.

Religious Observance/Time for Reflection

Religious Observance, which may take the form of a Time for Reflection, is held at least six times a year, in addition to traditional celebrations central to the life of the school community. Religious Observance will often (but not necessarily) take the form of an assembly.

Withdrawal from Religious Instruction and Religious Observance/Time for Reflection

Parents who wish to exercise their right to withdraw their child from religious instruction and/or observance are encouraged to discuss initially their intention with the Headteacher to enable them to make a fully informed decision. Parents who wish to proceed thereafter to withdraw their child(ren) should notify the Headteacher in writing. This is so that alternative educational activities can be planned for their child(ren) during times of Religious Instruction and/or Observance.

Extra Curricular Activities

Every school is encouraged to offer as wide a range of sporting and cultural activities as possible. In this context, the Authority provides a degree of financial and administrative support for leagues, competitions, festivals and similar events but it is recognised that, again, the help of parents and the community is irreplaceable. Quite separately, the Council and / or Falkirk Community Trust and other partner organisations also undertake to organise and administer certain events and many schools take part in these.

There is a range of extra-curricular activities available for pupils during lunchtime and after school. Parents will be informed about these by the school. In addition to in-school activities, classes also make regular educational visits and field studies. Wherever possible, these visits are linked to pupils' class work.

All activities are overseen by members of staff. If participation involves children travelling or staying late after school, written permission for children taking part is required from parents.

Facilities for Physical Education and Outdoor Activities

The gym hall has a variety of apparatus for physical education within the school. As part of the school's physical education programme, pupils may also use the facilities of the local sports complex, swimming pool or athletics stadium.

We benefit from Falkirk Council's provision of a specialist teacher of P.E., Mr Scot Simon

Skills are developed in a range of areas including: gymnastics, team games and fitness.

Active Schools

Active Schools are now part of Falkirk Community Trust. Active Schools aims to provide more and higher quality opportunities to take part in sport and physical activity before, during lunchtime and after school, to develop effective pathways between schools and sports clubs in the local community.

Active School co-ordinators work with primary, secondary and additional support needs schools to increase the number and diversity of children and young people participating in Active Schools activities. In Falkirk there are 8 cluster schools that co-ordinators work with to provide clubs, events and coach education training, For further information please contact 01324 590952.

www.falkirkcommunitytrust.org/sport/active-schools

Child

Taking care of our children's well-being and making sure they are alright, even before they are born, helps us ensure the most positive outcomes for them later in life. It gives them the potential to grow up ready to succeed and play their part in society.

Getting it Right for Every Children is the Scottish Government's approach to improve children's services. The wellbeing of all children and young people is at its heart. Services must work together with children, young people and their families to provide quick and effective support when it is needed

Wellbeing

The Getting it Right approach looks at eight areas of 'well-being'. These are recognised as areas in which children and young people need to progress in order to do well now and in the future. They allow those responsible for the care and support of children - including members of their own families - to look at a situation in a structured way that will help them identify any needs and concerns and plan with the child and family any action they need to take. The eight well-being indicators are:

- Safe
- Healthy
- Achieving
- Nurtured
- Active
- Responsible
- Respected
- Included

The approach gives them a common language and a way to gather information about a child's world, making sure the child is growing and developing, and has everything they need from the people who look after them both at home and in the wider community. It also encourages practitioners to think about who else might need to be involved (for example a teacher might need to contact other professionals to make sure that an education plan with the child and family is meeting all the child's needs).

Role of Named Person

All children and young people are entitled to access help or support from the Named Person no matter where they live or how old they are (up to eighteen years). It ensures they have the confidence to know that information, advice or support is there if and when they need it. The Named Person is therefore the identified point of contact.

The role is generally carried out by a Health Visitor for pre-school children or a promoted teacher for children and young people enrolled at school. It is an integral part of existing roles and responsibilities, working within universal services.

The Named Person is also available to other practitioners who may have concerns about the wellbeing of a child or young person which cannot be addressed within their own services. Consent to share information, whether being shared with or by the Named Person, will always be obtained and meaningful discussion will take place with families to ensure the right support is offered. The exception to this would be if child protection concern is identified and there is a risk to the child or young person.

When the Named Person is not available, another member of staff in school will be able

to help. During school holidays an officer from Children's Services Headquarters will provide the required advice and support.

Family Support Service

Across Falkirk there are a number of services who can support children. Young people and their families from early intervention to more intensive support.

The main aim of these services is to increase the wellbeing of young people and their families.

Children, young people and their parents may require additional support at different times in their life e.g. following a bereavement, illness, transition, when experiencing anxiety, behaviour issues, during or after changes in family circumstances.

Support is tailored to meet the individual needs of children & families, when they need it and as locally as possible.

Individual or group work can be delivered in school, home or in the community.

A request for support can be made through a member of school staff (named person) who will be able to talk with you, gather information & your family's views. This helps identify the most appropriate service.

Family Support services work in partnership with families, schools and other agencies to support young people's wellbeing.

Protecting Children and Young People

All children have a right to be protected from harm, abuse and neglect. The vision of the Forth Valley Child Protection Committee is that "It's everyone's job to make sure that children in the Forth Valley are safe."

Children's Services have an important role in identifying children who have been abused or are at risk of being abused.

Falkirk Council has clear procedures for all staff to follow. Headteachers or designated member of staff are instructed to notify Falkirk Council and Children's Services when a member of staff has a suspicion that a child might have been abused or be at risk of abuse.

Children's Services will make a decision on whether or not an investigation is necessary and will advise accordingly. In every situation, the welfare of the child overrides other considerations.

Additional Support Needs

As with all local authority schools in Scotland, this school operates under the terms of the Additional Support for Learning Act (2009) and its accompanying Code of Practice.

Further details of the policies and procedures can be found on the Falkirk Council website: <http://www.falkirk.gov.uk/services/schools-education/additional-support-needs/>

These procedures have been strengthened through the Children and Young People Act (2014).

Working with other agencies and professionals – for example, Social Work Services, Educational Psychology Service, National Health Service and parents – decisions are made jointly with parents, children and young people with regards to the best possible education to meet the needs of the child within the resources available.

Support for Pupils

Pupils' additional support needs will be identified and addressed through the Getting It Right For Every Child processes. This involves close co-operation between the parent or carer, the child and the staff in school – they are the core part of the Team around the Child. Others involved in your child's education and well-being will also be part of the Team, and will help to complete a rounded picture of assessment where appropriate. The Team will also draw up and review plans to meet the needs identified. Their activities are co-ordinated by the Named Person, who is responsible for ensuring plans are implemented and has an overall picture of the pupil's progress. You will be told who the Named Person is for your child when they start school. If you believe your child may have unrecognised additional support needs, your first point of contact should be the child's EYO class teacher or guidance teacher.

The school makes provision for pupils with additional support needs throughout their education:

- each teacher differentiates the Curriculum for Excellence within their class to provide educational targets and objectives suited to their age and stage of development
- the school has a Support for Learning Teacher to co-ordinate and organise support for children
- the school can allocate s Support for Learning Assistant on a basis of need exceptional cases

Disputes and Resolution in Additional Support Needs

Schools and Early Years facilities do their best to support pupils, and are responsive to the needs of parents, carers and pupils. Nevertheless, problems may arise, and it is important to deal with these as soon as possible.

In the first instant it is usually wise to contact the school or nursery directly, and if the matter cannot be satisfactorily resolved, they may call on the services of some of centrally-based staff – the Additional Support for Learning Adviser, the Educational Psychologist or the school's attached Team Manager. Children's Services also commission independent mediation through Children in Scotland. Their services, called Resolve, may be arranged by the Additional Support for Learning Adviser, or accessed directly by parents on 0131-222-2456.

Parents, carers and children with additional support needs can also seek independent advice and support through:

- Enquire – the Scottish advice and information Service for additional support for learning: www.enquire.org.uk, 0345 123 2303
- Scottish Independent Advocacy Alliance; www.siaa.org.uk, 0131-260-5380
- Take Note: National Advocacy Service for Additional Support Needs (Barnados in association with the Scottish Child Law Centre) www.sclc.org.uk, 0131-667-6633.
- Let's Talk ASN, c/o Govan Law Centre, letstalkasn@edlaw-org.uk, 0141-445-1955.

Educational Psychology Service

Educational Psychologists work in collaboration with teachers, parents and other professionals to support children and young people with their learning and general development, and to make the most of their lives, particularly in educational settings.

Every school and pre-five establishment has a link Educational Psychologist who provides consultation, assessment intervention, training and project work.

The school must obtain the agreement of parents and, where appropriate, the pupil before involving the Educational Psychology Service. Further information is on the website <https://blogs.glowscotland.org.uk/fa/epservice>

Pastoral Support

Our pupils are made aware that their teachers will always set aside time to listen to them if anything is troubling them. They are also told that staff are available if they want to sit quietly and share how they are feeling too at times when they are struggling emotionally. As a staff we aim to model and foster positive relationships and have a clear understanding of mental well-being which enables us to maximise support for our children.

Transitions

Any transition that a child experiences, whether it is from home to nursery, nursery to primary or from stage to stage within the school, it is treated with care and sensitivity to the needs of all. Teachers prepare pupils for transitions and give them the opportunity to discuss how they feel and answer any questions they may have to allay any concerns or fears. Early or timely planning takes place to ensure continuity and progression and as smooth a transition as possible.

Admission to Early Learning & Childcare (ELC) Establishments in Falkirk

All ELC places are allocated according to the Early Learning and Childcare Admission Policy. A funded pre-school education place is available for every child aged 3 to 5 years who lives in Falkirk. A place can be provided in either a Falkirk Council ELC Centre or in a private nursery which is in partnership with Falkirk Council.

From August 2018, children become eligible for pre-school education as follows:

- For children who reach 3 years of age between 1st March and 31st July the start date will be the beginning of the Autumn Term (August)
- For children reaching 3 years of age between 1st August and 29th February of the following year the start date will be a month after the child's 3rd birthday.

Application forms are available from all primary schools and ELC Centres and can also be downloaded from the Falkirk Council web-site at www.falkirk.gov.uk.

Only one application form should be completed. The application form asks for the 1st, 2nd and 3rd choice of ELC Centre, the form should be returned to any school, ELC Centre, One Stop Shop or can be sent directly to ELC Admissions Team, Sealock House, 2 Inchyra Road, Grangemouth, FK3 9XB.

You will also be asked to provide the child's birth certificate and proof of address.

Applications are then allocated according to the criteria detailed in the Admissions Policy - <https://www.falkirk.gov.uk/services/children-families/early-learning-childcare/docs/nursery-admission-policy/Early%20Learning%20and%20Childcare%20Admission%20Policy.pdf?v=201507271206>

Transfer from Nursery to Primary

Before leaving nursery, a transfer of information record for each child will be prepared by nursery staff to ensure a smooth transition and continuity of education for the child transferring to primary.

Primary School Admissions

Children's Services must set a date each year for the commencement of children's attendance at Primary school. This date is usually the 3rd or 4th week in August.

When commencing Primary 1 education, your child will normally attend the local denominational or non-denominational Primary school and transfer from it, after Primary 7, to its associated Secondary school. Details of the catchment areas and boundaries can be obtained from the Forward Planning Section – Tel. 01324 506621/506608 in the Children's Services, on the website - www.falkirk.gov.uk or the relevant school.

Pupils who are baptised Roman Catholic and who live within the catchment area of a denominational school are automatically entitled to enrol at the school. All other pupils will require a placing request (see below).

Any movement between denominational and non-denominational schools at year stages other than Primary 1 will require a Placing Request Form to be completed.

Enrolment dates will be set by each school and the enrolment should be completed in January prior to the start of term in August. The school may place adverts in the local press and nurseries advertising the date(s) for enrolment. Enrolment Forms should be completed on enrolment day at your catchment school. Parents are asked to bring the relevant birth certificate(s) proof of residency when enrolling their child(ren).

Parents of pupils enrolling at a denominational school must also present their child's RC baptismal certificate. Parents of pupils that are not RC baptised will be required to submit a placing request (see below).

You are still required to enrol your child(ren) at your catchment denominational school (if RC baptised) or catchment non-denominational school (if not RC baptised) even if you do not wish him/her to attend that school.

Enrolment timetables will also be available through the Falkirk Council website at www.falkirk.gov.uk.

Children eligible for enrolment are those whose 5th birthday falls between 1st March and the end of February the following year. Requests for enrolment will only be prioritised if Children's Services receive more requests for enrolment than places available at the school.

Primary to Secondary Transfer

Children visit their secondary school in preparation for the move from Primary 7 to 1st

Year.

Each cluster of schools (i.e. the secondary school and its associated primary schools) makes its own transition arrangements.

Generally, visits take place in the summer term, with a programme of activities for pupils in classroom relating to their secondary subjects. Sporting and social activities may also be planned. Pupils, therefore, become familiar with the new school, their new teachers and their new classmates.

Clusters also arrange for secondary school subject teachers to visit Primary 7 classes from time to time, with the cluster agreeing each year which subject areas should be the focus for these. Secondary teachers of PE and Music regularly visit primary schools to support the teaching of these subjects.

Most secondary schools also have an information evening for parents of Primary 7 children at which they can gain information about uniform, lunchtime arrangements, school clubs, etc.

Pupils with Additional Support Needs

Secondary school Pastoral and Support for Learning teachers make visits to the Primary 7 class to get to know the children and their needs, including any Additional Support for Learning Needs. Visits by Support for Learning staff sometimes take place as early as Primary 6 to help with additional arrangements for those children for whom the move to secondary school may present particular challenges.

Moving to the denominational secondary school

Children who are baptised Catholic

With the exception of some pupils at St Patrick's PS, pupils who are in Primary 7 in denominational primary schools (Sacred Heart PS, St Andrew's PS, St Mary's PS, St Francis Xavier's PS and St Joseph's PS) move to St Mungo's HS.

Pupils in Primary 7 at St Patrick's PS attend St Modan's HS in Stirling.

Children who are non-Catholic

Parents of non-RC baptised pupils who were enrolled through a Placing Request at a denominational primary school must submit a further Placing Request if they wish them to transfer to St Mungo's High School. These pupils are, otherwise, automatically entitled to transfer to their catchment non-denomination secondary school.

Moving between denominational and non-denominational schools

Parents who intend to send their children to St Mungo's HS from a non-denominational primary school, or from a Catholic primary school to their catchment non-denominational high school, should make known their intentions both to the primary school and the secondary school as soon as possible. This enables the necessary transfer arrangements to be made.

Catchment Secondary School

Contact Details: Falkirk

High School
Westburn Avenue, Falkirk
FK1 5BZ
Telephone: 01324 679010
Fax: 01324 679011
Rector: Mr Keith Webster

A comprehensive programme is arranged to support pupils, parents and carers through the process of transition from primary to secondary school. We believe very strongly in ensuring our pupils feel supported at this exciting and equally anxious and uncertain time. This programme includes:

- Primary 7 Open Evening, offering pupils, parents and carers the opportunity to tour the secondary school building, meet the teachers and learn about the different subjects and courses on offer.
- Pupil Support – The principal teacher of Pupil Support in Falkirk High School arranges regular visits from the Pupil Support Team to Slamannan Primary School. These visits allow FHS Staff to get to know the Primary 7 pupils and to share information with primary school teachers about the progress of the pupils.
- Primary 7 Parent/Carer Curriculum Evening- This event will allow parents and carers an opportunity to meet the members of Falkirk High school Senior Management Team.
- FHS Experience –Slamannan Primary school Primary 7 pupils are invited to attend FHS with their teacher and given the opportunity to attend lessons taught by FHS teachers

For those children who would benefit from some extra support in making the transition from primary to secondary there is an opportunity to take part in a three day Summer Transition Programme. This programme provide children with the opportunity to familiarise themselves with FHS and Family Support Service, meet other pupils ask questions and for staff to allay any fears or concerns, identify any further support that may be needed and share with FHS staff, celebrate success and build partnerships with parents and other agencies

Placing Requests

As a parent, you have the right to make a Placing Request for your child(ren) to be educated in a school other than the local school. Applications for Primary 1 and Secondary 1 Placing Requests to commence school in August will only be accepted following the publication of an advert in the local press inviting applications in early December.

Every effort will be made to try to meet parental wishes, but you should note that it is not always possible to grant every Placing Request. You should also note that a successful Placing Request for one child does not guarantee a successful one for another child. A parent could, therefore, end up with children attending different schools.

Primary 1 children must also be enrolled at the catchment area school on the appropriate Enrolment Form whilst awaiting the outcome of their Placing Request Application. If the Placing Request is granted, the child's enrolment at the catchment school will automatically be withdrawn by Children's Services.

Placing Requests can only be approved when there are sufficient places remaining in the class after all catchment area children have enrolled and if staffing and accommodation at the school are able to meet the numbers of Placing Requests at that school. Children's Services will also reserve places in a class for catchment pupils they expect to move into the area during the school year.

If more Placing Requests are made for admission to a particular school than places available, these Requests will be prioritised according to Falkirk Council's Admissions Policy and requests accepted and refused accordingly.

Online placing request applications can be made via the Council's website www.falkirk.gov.uk/placingrequests. Written application forms are available from all schools and from Children's Services. Written applications must be returned to the Director of Children's Services, Sealock House, 2 Inchyra Road, Grangemouth, FK3 9XB. Placing request for Primary 1 and Secondary 1, commencing in the next school session, should be made by the 15th March each year. Responses will be issued no later than 30th April.

Your Placing Request will be considered against a set of criteria which is set out in the Council's priorities for admission.

Any Placing Requests received after the 15th March for Primary 1 and Secondary 1 will not be considered in the first round of Placing Requests. Parents / Carers will be notified of the outcome of their request within 8 weeks of receipt.

As soon as a decision has been made, you will be notified of the result. If your Placing Request is successful, you will be asked to contact the school to establish arrangements for enrolment.

Mid Session Transfers

You may make a Placing Request at any time during a school session. If your child is experiencing problems at school, you are advised to discuss the matter with the Head Teacher prior to making a Placing Request. Completing the Application Form does not guarantee a place for your child at your chosen school. Your Placing Request will only be granted if there are surplus places available at the school.

Transport for Placing Requests

If a Placing Request is successful, parents will be responsible for the safety and transportation costs of their child to and from their chosen school.

Section Five – School Improvement

Raising Attainment

Monitoring performance and using the resulting information to secure improvement is an important part of the work of head teachers, school staff and officers within Children's Services. Head Teachers regularly track pupils' progress at meetings with each teacher to ensure that progress is maintained and to identify effective strategies progress when necessary.

Standards and Quality Report

Every year each school publishes a Standards and Quality report which highlights the school's major achievements. This is on our website at <http://www.slamannan.falkirk.sch.uk/>

School Improvement Plan

A copy of the School Improvement Plan can be viewed on our school website also at <http://www.slamannan.falkirk.sch.uk/>

In this plan you can read our evaluative comments with regard to improved standards in relation to literacy, numeracy and health and well-being.

Transferring Educational Data About Pupils

The Scottish Government and its partners collect and use information about pupils in schools (e.g. the number and characteristics of pupils, their attendance, absence and exclusions, their attainment and their destination when leaving school) to help to improve education across Scotland. This note explains why we need this information, how we use it and what we do to protect the information supplied to us.

For more information on the Scottish Government privacy notice see the link below

<https://www.gov.scot/topics/statistics/scotxed/schooleducation/ESPrivacyNotices>

Concerns

If you have any concerns about the ScotXed data collections you can email the Head of Schools Analysis, Mick Wilson, at mick.wilson@scotland.gsi.gov.uk or write to Education Analytical Services, Area 2D, Victoria Quay, Leith, EH6 6QQ.

Websites

You may find the following websites useful.

- <https://education.gov.scot/parentzone/> - parents can find out about everything from school term dates to exam results. This site also offers information for pre-5 and post school. It also lists relevant publications for parents and provides hyper-links to other useful organisations.
- <https://education.gov.scot/inspection-reports> - parents can access school and local authority inspection reports and find out more about the work of Education Scotland.
- www.falkirk.gov.uk - contains information for parents and information on Falkirk schools.
- <http://www.childline.org.uk/Explore/Bullying/Pages/Bullyinginfo.aspx> - contains information for parents and children on varying forms of bullying and provides help for parents and children who are affected by bullying.
- <http://www.respectme.org.uk/> - Scotland's anti-bullying service. Contains information for parents and children on varying forms of bullying and provides help for parents and children who are affected by bullying
- <https://education.gov.scot/> - provides information and advice for parents as well as support and resources for education in Scotland
- <https://www.equalityhumanrights.com/en/commission-scotland> - contains information for everyone on equality laws within the government and local authorities.
