Notes:

1. Under the Local Governance (Scotland) Act 2004 (Remuneration) Regulations 2007 as amended, there are four levels of remuneration payments for councillors, covering the following positions:

- Civic Head (Provost) (CH)
- Leader of Council (L)
- Senior Councillors (SC), and
- Councillors (C)

Apart from Senior Councillors, the level of remuneration is set in the Regulations.

Councils have a degree of discretion in setting the number of, and remuneration for, Senior Councillors within certain parameters.

Councillors may also be entitled to remuneration from Joint Board positions (JB).

2. Remuneration is subject to income tax and national insurance deductions.

3. Levels of travel and subsistence payments are determined by the Allowances and Expenses Regulations.

Councillors may claim costs incurred when carrying out approved duties.

Receipts must be provided.

Expenses relate only to the reimbursement of actual expenditure incurred by Councillors.

Other Travel refers to the use by Councillors of public transport and taxis while carrying out approved duties.

This expenditure is reimbursed to Councillors.

4. Joint Board Expenses refers to expenses claimed by members of Central Scotland Valuation Joint Board and relates to car and public transport expenses.

5. Councillors are entitled to be reimbursed for that element of their telephone expenses that relates directly to their duties as Councillors.

6. Councillors who hold more than one senior position receive only one payment attributable to the higher paid of the two positions.

NOTE 1: The details shown in the table highlight costs in respect of training and conferences, telephone and ICT expenses, and other travel. The costs were met directly by the Council.

NOTE 2: Falkirk Council has one Council vehicle for use by Elected Members. The Council vehicle is for the use of all Councillors in undertaking their approved duties, where considered appropriate. Guidance issued by the Scottish Local Authorities Remuneration Committee requires the costs associated with the use of the vehicles by Councillors on approved duties to be reported annually. The vehicle may also be used by officers and appropriate others but without the requirement to report associated costs. The costs of vehicle usage are met directly by the Council and are not reclaimed by Elected Members. The amount reported includes the estimated running cost of the vehicle together with a proportionate allocation of Civic Officer salary cost for the undertaking of civic and approved duties.

COUNCILLOR ATTENDANCE AT TRAINING AND CONFERENCES

In addition to the duties of their elected office, councillors will also undertake training and development to keep their knowledge and skills up to date. A summary of training and briefing courses provided for councillors during the year is given below. However, councillors will often follow their own programme of development that aligns to their professional and technical expertise; such development is not included in this summary.
