

## Glenfuir Road

### The changes to be carried out at this pilot site are:

- Creation of areas of **naturalised grass (shown in pink)** which will be allowed to grow longer and cut once or twice a year.
- Planting areas of **bulbs (shown in light green)**, with the grass here cut short once the bulbs have finished flowering
- Maintaining the remaining areas as **short amenity grass (shown in bright green)**, including strips of at least 1m next to all path and road edges.
