

## Stirling Road Playing Fields

### The changes to be carried out at this pilot site are:

- Creation of areas of **naturalised grass (shown in pink)** which will be allowed to grow longer and cut once or twice a year.
- Creation of strips of **wildflower meadow (shown in orange)** which will be cut once a year.
- Maintaining **short amenity grass (shown in bright green)** in the remainder of the site, cut between 8 and 10 times a year. This will include strips of mown grass between the naturalised grass/meadow and any footpaths.

Note: the areas of wildflower meadow were sown in 2020.
