

Westburn Avenue (opposite the High School)

The changes to be carried out at this pilot site are:

- Creation of an area of **naturalised grass (shown in pink)** which will be allowed to grow longer and cut once or twice a year.
- Planting **spring bulbs (shown in light green)** along the road frontage. This area will be mown short once the bulbs have finished flowering.
- Maintaining **short amenity grass (shown in bright green)** around the perimeter of the site. site, cut between 8 and 10 times a year.
- Planting **fruit trees** within part of the naturalised grass.

Note: The fruit trees were planted in winter 2020. 8 apple trees were planted in a staggered row in the eastern half of the naturalised grass area.
