Application Reference Number_____________________________________________________________

Please list the reference number and address of the property or properties you wish to be considered for.

If you intend to bid for more than one property you should enter your bids in order of preference starting with your preferred property. This is very important because if you bid successfully for more than one property we will assume that the property you bid for first is your first choice, and so on, in the order you chose to bid. If your first bid is successful, we will not consider any later bids you have made, so the order in which you bid is very important.
